AID TO STUDENTS ATTENDING PRIVATE COLLEGES PROCEDURE

Sec. 15. (a) Funds appropriated in this act to the Board of Governors of The University of North Carolina for aid to private colleges shall be disbursed in accordance with the provisions of G.S. 116–19, 116–21, and 116–22. These funds shall provide up to five hundred fifty dollars ($550.00) per full–time equivalent North Carolina undergraduate student enrolled at a private institution as of October 1 each year.

These funds shall be placed in a separate, identifiable account in each eligible institution's budget or chart of accounts. All funds in this account shall be provided as scholarship funds for needy North Carolina students during the fiscal year. Each student awarded a scholarship from this account shall be notified of the source of the funds and of the amount of the award. Funds not utilized under G.S. 116–19 shall be for the tuition grant program as defined in subsection (b) of this section.

(b) In addition to any funds appropriated pursuant to G.S. 116–19 and in addition to all other financial assistance made available to private educational institutions located within the State, or to students attending these institutions, there is granted to each full–time North Carolina undergraduate student attending an approved institution as defined in G.S. 116–22, a sum, not to exceed one thousand two hundred fifty dollars ($1,250) per academic year, which shall be distributed to the student as hereinafter provided.

The tuition grants provided for in this section shall be administered by the State Education Assistance Authority pursuant to rules adopted by the State Education Assistance Authority not inconsistent with this section. The State Education Assistance Authority shall not approve any grant until it receives proper certification from an approved institution that the student applying for the grant is an eligible student. Upon receipt of the certification, the State Education Assistance Authority shall remit at such times as it shall prescribe the grant to the approved institution on behalf, and to the credit, of the student.

In the event a student on whose behalf a grant has been paid is not enrolled and carrying a minimum academic load as of the tenth classroom day

following the beginning of the school term for which the grant was paid, the institution shall refund the full amount of the grant to the State Education Assistance Authority. Each approved institution shall be subject to examination by the State Auditor for the purpose of determining whether the institution has properly certified eligibility and enrollment of students and credited grants paid on the behalf of the students.

In the event there are not sufficient funds to provide each eligible student with a full grant:

(1) The Board of Governors of The University of North Carolina, with the approval of the Office of State Budget and Management, may transfer available funds to meet the needs of the programs provided by subsections (a) and (b) of this section; and

(2) Each eligible student shall receive a pro rata share of funds then available for the remainder of the academic year within the fiscal period covered by the current appropriation.

Any remaining funds shall revert to the General Fund.

WAKE FOREST AND DUKE MEDICAL SCHOOL ASSISTANCE/ FUNDING FORMULA

Sec. 15.1. Funds appropriated in this act to the Board of Governors of The University of North Carolina for continuation of financial assistance to the medical schools of Duke University and Wake Forest University shall be disbursed on certifications of the respective schools of medicine that show the number of North Carolina residents as first–year, second–year, third–year, and fourth–year students in each medical school as of November 1, 1995, and November 1, 1996. Disbursement to Wake Forest University shall be made in the amount of eight thousand dollars ($8,000) for each medical student who is a North Carolina resident, one thousand dollars ($1,000) of which shall be placed by the school in a fund to be used to provide financial aid to needy North Carolina students who are enrolled in the medical school. The maximum aid given to any student from this fund in a given year may not exceed the amount of the difference in tuition and academic fees charged by the school and those charged at the School of Medicine at the University of North Carolina at Chapel Hill.

Disbursement to Duke University shall be made in the amount of five thousand dollars ($5,000) for each medical student who is a North Carolina resident, five hundred dollars ($500.00) of which shall be placed by the school in a fund to be used to provide student financial aid to financially needy North Carolina students who are enrolled in the medical school. No individual student may be awarded assistance from this fund in excess of two thousand dollars ($2,000) each year. In addition to this basic disbursement for each year of the biennium, a disbursement of one thousand dollars ($1,000) shall be made for each medical student who is a North Carolina resident in the first–year, second–year, third–year, and fourth–year classes to the extent that enrollment of each of those classes exceeds 30 North Carolina students.

The Board of Governors shall establish the criteria for determining the eligibility for financial aid of needy North Carolina students who are enrolled in

the medical schools and shall review the grants or awards to eligible students. The Board of Governors shall adopt rules for determining which students are residents of North Carolina for the purposes of these programs. The Board shall also make any regulations as necessary to ensure that these funds are used directly for instruction in the medical programs of the schools and not for religious or other nonpublic purposes. The Board shall encourage the two schools to orient students towards primary care, consistent with the directives of G.S. 143–613(a). The two schools shall supply information necessary for the Board to comply with G.S. 143–613(d).

AID TO STUDENTS ATTENDING PRIVATE COLLEGES/ LEGISLATIVE TUITION GRANT LIMITATIONS

Sec. 15.2. (a) No Legislative Tuition Grant funds shall be expended for a program at an off–campus site of a private institution, as defined in G.S. 116–22(1), established after May 15, 1987, unless (i) the private institution offering the program has previously notified and secured agreement from other private institutions operating degree programs in the county in which the off–campus program is located or operating in the counties adjacent to that county or (ii) the degree program is neither available nor planned in the county with the off–campus site or in the counties adjacent to that county.

An "off–campus program" is any program offered for degree credit away from the institution's main permanent campus.

(b) Any member of the armed services as defined in G.S. 116–143.3(a), abiding in this State incident to active military duty, who does not qualify as a resident for tuition purposes as defined under G.S. 116–143.1, is eligible for a Legislative Tuition Grant pursuant to this section if the member is enrolled as a full–time student. The member's Legislative Tuition Grant shall not exceed the cost of tuition less any tuition assistance paid by the member's employer.

EQUITY OF FUNDING

Sec. 15.3. The Commission on the Quality of Education in The University of North Carolina reported to the General Assembly that the funding system for appropriations to each campus for continuing operations, which constitutes the majority of General Fund support to higher education, is not based on identifiable criteria that are measurable or that allow comparisons of adequacy of funding among the 16 campuses.

The Board of Governors of The University of North Carolina shall review the equity of the continuation budget funding system, and the equity of its methods of distributing the lump–sum expansion funds appropriated by the General Assembly. The Board of Governors shall assess the criteria that should be used in deriving an equitable funding system, such as comparisons of funding at like institutions, such factors as size of student body, the costs of the programs offered by each campus, the level of the student body (lower division, upper division, graduate), the resources required to meet the early college needs of entering students based on their relative preparations for college success, and any other factors deemed by the Board of Governors to be relevant to assuring successful student

outcomes. In carrying out this review, the Board of Governors shall consult with the Office of State Budget and Management.

After its review, the Board of Governors shall propose a system of funding to the General Assembly which uses identifiable criteria which are based on educationally and financially sound principles. If the Board of Governors recommends changes in the current funding system, it shall also propose a plan and schedule for moving to the recommended system. The Board of Governors shall report its progress to the Joint Legislative Education Oversight Committee by April 15, 1996, and shall report its final findings and recommendations to the Joint Legislative Education Oversight Committee and the House and Senate Appropriations Subcommittees on Education by November 15, 1996.

FULL–TIME EQUIVALENT STUDENTS (FTE)

Sec. 15.4. The Board of Governors of The University of North Carolina shall consider alternative approaches to funding University undergraduate and graduate enrollment, including the current funding of full–time equivalent students based on 12 semester hours annually for undergraduates, increasing this level to 15 semester hours annually, which would be consistent with graduating in four years, or funding the University on the basis of student credit hours rather than on full–time equivalent enrollment. The Board of Governors shall report its progress to the Joint Legislative Education Oversight Committee by April 15, 1996, and shall make its final recommendations regarding changes on enrollment funding to the Joint Legislative Education Oversight Committee and the House and Senate Appropriations Subcommittees on Education by November 15, 1996.

EDUCATIONAL OPPORTUNITY

Sec. 15.5. The Board of Governors of The University of North Carolina shall consider different funding approaches to meeting the needs of an increasing pool of high school graduates, as well as adult learners unable to return to a university campus for additional education. Such methods as funding additional credit hours above the current levels for summer school and for off–campus degree programs on a basis more comparable to the current regular term funding, the application of distance learning technologies, collaboration with the community colleges and the private colleges in the State, and other possibilities should be explored by the Board. The study shall consider the increased utilization of campus facilities, and it shall consider the use of financial resources and financial incentives to provide additional higher education opportunities at off–campus locations. The Board of Governors shall recommend a plan to provide for additional educational opportunities in the summer and at off–campus locations across the State, including any funding mechanisms necessary to accomplish these goals.

The Board of Governors shall report its progress to the Joint Legislative Education Oversight Committee by January 31, 1996, and shall make a final report of its findings and recommendations to the Joint Legislative Education Oversight Committee and the House and Senate Appropriations Subcommittees on Education by April 15, 1996.

Senators Plexico, Winner, Little

INCENTIVE FUNDING

Sec. 15.6. The Board of Governors of The University of North Carolina shall study various methods to provide funding incentives for the campuses when they accomplish specifically stated performance goals in the improvement of the quality of undergraduate education. As a part of this study, the Board of Governors of The University of North Carolina shall consider whether the ability of the campuses to retain some portion of their reversions each year under current management flexibility statutes should be tied to specific institutional gains toward prestated student performance goals.

If the Board of Governors finds that incentive funding could be a positive element in the higher education funding system in North Carolina, the Board of Governors shall recommend a model for a proposed system of incentive funding to the Joint Legislative Education Oversight Committee and the House and Senate Appropriations Subcommittees on Education by April 15, 1996. A monitoring system to provide an evaluation of performance back to the Board of Governors and to the General Assembly shall be a part of any proposal. The Board may propose such a model in its future budget proposals to the Governor and the General Assembly.

EPA REDUCTIONS

Sec. 15.7. The Board of Governors of The University of North Carolina shall provide a list of all positions exempt from the State Personnel Act (EPA) to be eliminated by this act to the General Assembly by June 25, 1995. In preparing the list, the Board of Governors shall reduce EPA nonteaching positions on a pro rata basis, except for the constituent institutions. For the constituent institutions, the EPA nonteaching reductions shall be applied only to the extent that the full–time equivalent (FTE) EPA nonteaching positions per FTE student at each institution exceeds one one–hundredth of a position. EPA nonteaching positions in excess of one one–hundredth per FTE student shall be reduced on a pro rata basis. The Board of Governors shall reduce mid–level management positions, and shall avoid eliminating librarians, student advisors, financial aid counselors, and other positions which provide direct services to students, to the extent possible. Campuses or other entities without sufficient vacancies to implement this reduction may substitute positions subject to the State Personnel Act (SPA) or may reduce nonpersonnel budgetary items. Institutions must identify SPA positions or any items substituted by June 25, 1995, and must indicate why EPA vacancies were insufficient.

REWARDING FACULTY TEACHING

Sec. 15.9. The Board of Governors shall design and implement a system to monitor faculty teaching workloads on the campuses of the constituent institutions.

The Board shall assure itself that personnel policies reflect this direction.

The Board of Governors shall develop a plan for rewarding faculty who teach more than a standard academic load.

The Board of Governors shall review the procedures used by the constituent institutions to screen and employ graduate teaching assistants. The Board shall direct that adequate procedures be used by each constituent institution to ensure that all graduate teaching assistants have the ability to communicate and teach effectively in the classroom.

The Board of Governors shall report on the implementation of this section to the Joint Legislative Education Oversight Committee by April 15, 1996.

STUDY POTENTIAL COST SAVINGS TO UNC THROUGH PRIVATIZATION OF CERTAIN SERVICES

Sec. 15.10. The Board of Governors of The University of North Carolina, in consultation with the constituent institutions and affiliated organizations, shall study the potential for cost savings by contracting for various services with private contractors, including housekeeping and maintenance of physical facilities.

East Carolina University is currently realizing savings from privatizing the management of its housekeeping services. The General Assembly has reviewed requests for funding to operate approximately 2.8 million square feet of new or renovated space for the 1995–97 biennium. With this amount of new space opening up, the potential for cost savings by initially contracting for certain services to operate these facilities appears worth reviewing.

The Board of Governors shall report on the potential for increased efficiency and budget savings from the use of private contractual services to the Joint Legislative Education Oversight Committee by April 15, 1996. The Board shall identify and include in its report that portion of any savings that is attributable to lower pay scales or lower workers' benefits paid by potential private contractors.

The plan shall address questions of capacity and potential increases in space utilization. The plan shall also consider several funding strategies to encourage more balanced enrollment, such as funding additional credit hours

above current levels for summer school and for off-campus degree programs, and incentive funding for private colleges to enroll more North Carolina residents.

The Education Cabinet shall also coordinate the planning efforts of the Board of Governors of The University of North Carolina, the Department of Community Colleges, and the North Carolina Association of Private and Independent Colleges and Universities to meet the projected increase in higher education enrollments.

Sec. 19.10. (a) G.S. 148–37 reads as rewritten:

"§ **148–37. Additional facilities authorized; contractual arrangements.**

(a) Subject to the provisions of G.S. 143–341, the State Department of Correction may establish additional facilities for use by the Department, such facilities to be either of a permanent type of construction or of a temporary or movable type as the Department may find most advantageous to the particular needs, to the end that the prisoners under its supervision may be so distributed throughout the State as to facilitate individualization of treatment designed to prepare them for lawful living in the community where they are most likely to reside after their release from prison. For this purpose, the Department may purchase or lease sites and suitable lands adjacent thereto and erect necessary buildings thereon, or purchase or lease existing facilities, all within the limits of allotments as approved by the Department of Administration.

(b) The Secretary of Correction may contract with the proper official of the United States or of any county or city of this State for the confinement of federal prisoners after they have been sentenced, county, or city prisoners in facilities of the State prison system or for the confinement of State prisoners in any county or any city facility located in North Carolina, or any facility of the United States Bureau of Prisons, when to do so would most economically and effectively promote the purposes served by the Department of Correction. ~~Any~~ Except as otherwise provided, any contract made under the authority of this ~~section~~ subsection shall be for a period of not more than two years, and shall be renewable from time to time for a period not to exceed two years. Contracts made under the authority of this

subsection for the confinement of State prisoners in local or district confinement facilities may be for a period of not more than 10 years and renewable from time to time for a period not to exceed 10 years, and shall be subject to the approval of the Council of State and the Department of Administration after consultation with the Joint Legislative Commission on Governmental Operations. Contracts for receiving federal, county and city prisoners shall provide for reimbursing the State in full for all costs involved. The financial provisions shall have the approval of the Department of Administration before the contract is executed. Payments received under such contracts shall be deposited in the State treasury for the use of the State Department of Correction. Such payments are hereby appropriated to the State Department of Correction as a supplementary fund to compensate for the additional care and maintenance of such prisoners as are received under such contracts.

(c) In addition to the authority contained in subsections (a) and (b) of this section, and in addition to the contracts ratified by subsection (f) of this section, the Secretary of Correction may enter into contracts with any public entity or any private nonprofit or for-profit firms for the confinement and care of State prisoners in any out-of-state ~~public~~ correctional facility when to do so would most economically and effectively promote the purposes served by the Department of Correction. Contracts entered into under the authority of this subsection shall be for a period not to exceed two years and shall be renewable from time to time for a period not to exceed two years. ~~Subject to the provisions of subsection (e) of this section, the combined authority contained in this subsection and in subsection (f) of this section may be used to house a maximum of 1,000 prisoners at any one time, which maximum shall include those housed on March 25, 1994, under contracts ratified by subsection (f) of this section.~~ Prisoners may be sent to out-of-state correctional facilities only when there are no available facilities in this State within the State prison system to appropriately house those prisoners. Any contract made under the authority of this subsection ~~shall expire not later than June 30, 1995, and~~ shall be approved by the Department of Administration before the contract is executed. Before expending more than the amount specifically appropriated by the General Assembly for the out-of-state housing of inmates, the Department shall obtain the approval of the Joint Legislative Commission on Governmental Operations and shall report such expenditures to the Chairs of the Senate and House Appropriations Committees, the Chairs of the Senate and House Appropriations Subcommittees on Justice and Public Safety, and the Chairs of the Joint Legislative Corrections Oversight Committee.

(d) Prisoners confined in out-of-state correctional facilities pursuant to subsection (c) of this section shall remain subject to the rules adopted for the conduct of persons committed to the State prison system. The rules regarding good time and gain time, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in those out-of-state correctional facilities. The operators of those out-of-state correctional facilities may promulgate any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Correction. Custodial officials employed by an out-of-state correctional facility are agents of the Secretary of Correction and may use those procedures for use of force authorized by the Secretary of Correction not inconsistent with the laws of the State of *situs* of the facility to defend themselves, to enforce the observance of

discipline in compliance with correctional facility rules, to secure the person of a prisoner, and to prevent escape. Prisoners confined to out-of-state correctional facilities may be required to perform reasonable work assignments within those facilities. Private firms under subsection (c) of this section shall employ inmate disciplinary and grievance policies of the North Carolina Department of Correction.

~~(e) The Department of Correction shall not contract to house in non-State-owned facilities within the State more than a total of 1,500 inmates at any one time, excluding any beds in private substance abuse treatment centers authorized by the General Assembly. If the number of inmates housed in non-State-owned facilities pursuant to this section exceeds 500, then the maximum number of prisoners authorized to be housed out-of-state pursuant to subsection (c) of this section is reduced by the amount of the excess.~~

(f) Any contracts entered into by the Department of Correction with public contractors prior to March 25, 1994, for the out-of-state housing of inmates are ratified. ~~The Department of Correction shall take such actions not inconsistent with the terms of the contracts so that without further approval by the General Assembly they are not effective for the confinement or care of State prisoners after June 30, 1995.~~

(g) The Secretary of Correction may contract with private for-profit or nonprofit firms for the provision and operation of confinement facilities totaling up to 1,000 beds in the State to house State prisoners when to do so would most economically and effectively promote the purposes served by the Department of Correction. Contracts entered under the authority of this subsection shall be for a period not to exceed 10 years, shall be renewable from time to time for a period not to exceed 10 years, and are subject to the approval of the Council of State and the Department of Administration, after consultation with the Joint Legislative Commission on Governmental Operations. The Secretary of Correction shall enter contracts under this subsection only if funds are appropriated for this purpose by the General Assembly.

Contracts made under the authority of this subsection may provide the State with an option to purchase the confinement facility or may provide for the purchase of the confinement facility by the State. The Department of Correction may give preference to facilities intended for joint county and State use where such facilities are developed by public/private partnerships and financed by tax-exempt bond issues, and where such facilities offer general terms and conditions favorable to the State in the competitive bidding process pursuant to Article 8 of Chapter 143 of the General Statutes. All contracts for the housing of State prisoners in private confinement facilities shall require a minimum of ten million dollars ($10,000,000) of occurrence-based liability insurance and shall hold the State harmless and provide reimbursement for all liability arising out of actions caused by operations and employees of the private confinement facility.

Prisoners housed in private confinement facilities pursuant to this subsection shall remain subject to the rules adopted for the conduct of persons committed to the State prison system. The Secretary of Correction may review and approve the design and construction of private confinement facilities before housing State prisoners in these facilities. The rules regarding good time, gain time, and earned credits, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in

private confinement facilities pursuant to this subsection. The operators of private confinement facilities may adopt any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Correction. Custodial officials employed by a private confinement facility are agents of the Secretary of Correction and may use those procedures for use of force authorized by the Secretary of Correction to defend themselves, to enforce the observance of discipline in compliance with confinement facility rules, to secure the person of a prisoner, and to prevent escape. Private firms under this subsection shall employ inmate disciplinary and grievance policies of the North Carolina Department of Correction.

(h) Private confinement facilities under this section shall be designed, built, and operated in accordance with applicable State laws, court orders, fire safety codes, and local regulations.

DAY CARE RATES

Sec. 23.11. (a) Rules for the monthly schedule of payments for the purchase of day care services for low-income children shall be established by the Social Services Commission pursuant to G.S. 143B-153(8)a., in accordance with the following requirements:

(1) For day care facilities, as defined in G.S. 110-86(3), in which fewer than fifty percent (50%) of the enrollees are subsidized by State or federal funds, the State shall continue to pay the same fee paid by private paying parents for a child in the same age group in the same facility.

(2) Facilities in which fifty percent (50%) or more of the enrollees are subsidized by State or federal funds may be paid the rate established by the local purchasing agency, not to exceed the county market rate.

(3) A market rate shall be calculated for each county and for each age group or age category of enrollees and shall be representative of fees charged to unsubsidized private paying parents for each age group of enrollees within the county. The county market rates shall be

calculated from facility fee schedules collected by the Division of Child Development on a routine basis. The Division shall also calculate a statewide market rate for each age category. The Division may also calculate regional market rates for each age group and age category. The Social Services Commission shall adopt rules to establish minimum county rates that use the statewide market rates as a reference point.

(4) Child day care homes as defined in G.S. 110–86(4) and other home–based day care arrangements that are not required to be regulated by the State licensing agency may be paid the rate established by the local purchasing agency, not to exceed market rate for day care homes, which shall be calculated at least biennially by the Division of Child Development according to the method described in subdivision (3) of subsection (a) of this section.

(b) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes may participate in the program that provides for the purchase of care in day care facilities for minor children of needy families. No separate licensing requirements shall be used to select facilities to participate. In addition, day care facilities shall be required to meet any additional applicable requirements of federal law or regulations.

Day care homes as defined in G.S. 110–86(4) from which the State purchases day care services shall meet the standards established by the Child Day Care Commission pursuant to G.S. 110–101 and G.S. 110–105.1 and any additional requirements of State law or federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child day care rate.

(c) County departments of social services shall continue to negotiate with day care providers for day care services below those rates prescribed by subsection (a) of this section. County departments shall purchase day care services so as to serve the greatest number of children possible with existing resources.

EARLY CHILDHOOD EDUCATION AND DEVELOPMENT INITIATIVES QUALITY ASSURANCE/ACCOUNTABILITY

Sec. 23.12. (a) The General Assembly finds, in consultation with the Governor, that it is essential to begin to develop comprehensive programs that provide high quality early childhood education and development services locally for children and their families. The General Assembly also finds that it is equally essential that these programs be developed in a manner that will provide both quality assurance and performance–based accountability to the children, their families, their communities, and the State.

(b) The Department of Human Resources shall develop and implement a performance–based evaluation system to evaluate the Early Childhood Education

and Development Initiatives authorized by Part 10B of Article 3 of Chapter 143B of the General Statutes, if enacted. The Department shall design this system:

(1) To incorporate the elements of a formative evaluation, including process and efficiency studies, and of a summative evaluation, including outcome and effectiveness studies, in order to:

a. Provide information to the Department and to the General Assembly on how to improve and refine the Programs;

b. Enable the Department and the General Assembly to assess the overall quality and impact of the existing Programs and any future ones; and

c. Enable the Department and the General Assembly to determine whether to make the Early Childhood Education and Development Initiatives statewide;

(2) To focus the Programs, as they develop and continue, on quality assurance, by making quality a central and ongoing priority and to ensure that quality improvement efforts address outcomes, such as functions and processes, rather than persons, specific details, or paperwork;

(3) To use reliable statistical methods to measure performance of processes, functions, efforts, and outcomes, which methods shall allow adequate tracking of children and families through the program and into the school system, in order to provide a real, objective measure of the outcome of the Programs; and

(4) To provide a detailed fiscal analysis of the use to which State funds for these Programs are put.

WILLIE M.

Sec. 23.20. (a) Legislative Findings. — The General Assembly finds:

(1) That there is a need in North Carolina to provide appropriate treatment and education programs to children under the age of 18 who suffer from emotional, mental, or neurological handicaps accompanied by violent or assaultive behavior;

(2) That children meeting these criteria have been identified as a Class in the case of Willie M., et al. v. Hunt, et al., formerly Willie M., et al. v. Martin, et al.; and

(3) That these children have a need for a variety of services, in addition to those normally provided, that may include, but are not limited to, residential treatment services, educational services, and independent living arrangements.

(b) Funds appropriated by the General Assembly to the Department of Human Resources for serving members of the Willie M. Class shall be expended only for programs serving members of the Willie M. Class identified in Willie M.,

et al. v. Hunt, et al., formerly Willie M., et al. v. Martin, et al., including evaluations of potential Class members. The Department shall reallocate these funds among services to Willie M. Class members during the year as it deems advisable in order to use the funds efficiently in providing appropriate services to Willie M. Class children.

(c) Funds for Department of Public Education. — Funds appropriated to the Department of Public Education in this act for members of the Willie M. Class are to establish a supplemental reserve fund to serve only members of the Class identified in Willie M., et al. v. Hunt, et al., formerly Willie M., et al. v. Martin, et al. These funds shall be allocated by the State Board of Education to the local education agencies to serve those Class members who were not included in the regular average daily membership and the census of children with special needs, and to provide the additional program costs which exceed the per pupil allocation from the State Public School Fund and other State and federal funds for children with special needs.

(d) The Department of Human Resources shall continue to implement its prospective unit cost reimbursement system and shall ensure that unit cost rates reflect reasonable costs by conducting cost center service type rate comparisons and cost center line item budget reviews as may be necessary, and based upon these reviews and comparisons, the Department shall reduce and/or cap rates to programs which are significantly higher than those rates paid to other programs for the same service.

Any exception to this requirement shall be approved by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and shall be reported in the Department's annual joint report to the Governor and the General Assembly and in any periodic report the Department may make to the Joint Legislative Commission on Governmental Operations.

(d1) The Department of Human Resources shall implement a process to review those cases for whom treatment has been recommended whose annual cost is anticipated to be in excess of one hundred fifty percent (150%) of the average annual per client expenditure of the previous fiscal year and shall take actions to reduce these treatment costs where appropriate.

(e) Reporting Requirements. — The Department of Human Resources and the Department of Public Education shall submit, by May 1 of each fiscal year, a joint report to the Governor and the General Assembly on the progress achieved in serving members of the Willie M. Class. The report shall include the following unduplicated data for each county: (i) the number of children nominated for the Willie M. Class; (ii) the number of children actually identified as members of the Class in each county; (iii) the number of children served as members of the Class in each county; (iv) the number of children who remain unserved or for whom additional services are needed in order to be determined to be appropriately served; (v) the types and locations of treatment and education services provided to Class members; (vi) the cost of services, by type, to members of the Class and the maximum and minimum rates paid to providers for each service; (vii) the number of cases whose treatment costs were in excess of one hundred fifty percent (150%) of the average annual per client expenditure; (viii) information on the impact of treatment and education services on members of the Class; (ix) an explanation of, and justification for, any waiver of departmental rules that affect the Willie M. program; and (x) the total State funds expended, by program, on

Willie M. Class members, other than those funds specifically appropriated for the Willie M. programs and services.

(e1) From existing funds available to it, the Department of Human Resources shall begin a process to document and assess individual Class members' progress through the continuum of services. Standardized measures of functioning shall be administered periodically to each member of the Class, and the information generated from these measures shall be used to assess client progress and program effectiveness.

(f) The Departments of Human Resources and Public Education shall provide periodic reports of expenditures and program effectiveness on behalf of the Willie M. Class to the Fiscal Research Division. EARLY CHILDHOOD EDUCATION AND DEVELOPMENT INITIATIVES

Sec. 27A. Notwithstanding any other provision of law, the Early Childhood Education and Development Initiatives, under Part 10B of Article 3 of Chapter 143B of the General Statutes, are subject to the following terms and conditions for the 1995–97 fiscal biennium:

(1) Accountability.

The intent of the General Assembly is to strengthen the accountability of the Department of Human Resources, the North Carolina Partnership for Children, Inc., and the local partnerships in the expenditure of public funds and achievement of Program goals for the Early Childhood Education and Development Initiatives Program, as authorized under Part 10B of Article 3 of Chapter 143B of the General Statutes. The importance of education as a part of all initiatives in this Program shall be emphasized.

In order to accomplish this level of accountability, the Joint Legislative Commission on Governmental Operations shall, consistent with current law, be the legislative oversight body for the Program. The President *Pro Tempore* of the Senate and the Speaker of the House of Representatives may appoint a subcommittee of the Joint Legislative Commission on Governmental Operations to carry out this function. This subcommittee may conduct all initial reviews of plans, reports, and budgets relating to the Program and shall make recommendations to the Joint Legislative Commission on Governmental Operations.

a. Existing Partnerships – Local partnerships receiving State funds shall submit a Certification Annual Report on April 1 of each year to the North Carolina Partnership for Children, Inc., the Joint Legislative Commission on Governmental Operations, or any committee designated by Joint Legislative Commission on Governmental Operations. Administrative costs shall be equivalent to, on an average statewide basis for all local partnerships, not more than eight percent (8%) of the total statewide allocation to all local partnerships. Quality incentive grants shall be administered at the partnership level. A definition of administrative costs shall be determined by the independent firm selected under sub–subdivision b. of this subdivision.

b. Program Audit – The Joint Legislative Commission on Governmental Operations shall select an independent firm recognized in performance auditing to conduct an independent performance audit of the first two years of operations of the 24 existing partnerships and of the administration of the Program by the Department of Human Resources. The audit's directives shall be determined by the Joint Legislative Commission on Governmental Operations and the independent firm. An interim program and performance audit report shall be submitted to the Joint Legislative Commission on Governmental Operations by January 1, 1996, and a final program and performance audit report shall be submitted to the Joint Legislative Commission on Governmental Operations by April 1, 1996. A definition of administrative costs shall be determined by the independent firm. Only in–kind contributions that are quantifiable, as determined by the independent firm, may be applied to the in–kind match requirement. The match

requirement in subdivision (3) of this section shall be studied by the independent firm and recommendations for revision, if any, shall be reported to the Joint Legislative Commission on Governmental Operations.

c. The North Carolina Partnership for Children, Inc., shall continue to make quarterly reports to the Joint Legislative Commission on Governmental Operations as provided for in G.S. 143B–168.13(5).

d. New partnerships – In subsequent fiscal biennia, any new local partnership, before receiving State funds, shall be required to submit a detailed plan for expenditure of State funds for appropriate programs to the North Carolina Partnership for Children, Inc., and the Joint Legislative Commission on Governmental Operations for approval in April of the fiscal year in which the local partnership received planning funds. State funds to implement the programs shall not be allocated to the local partnership until the program plan is approved by the North Carolina Partnership for Children, Inc., after consultation with the Joint Legislative Commission on Governmental Operations. After receipt of initial program funds, local partnerships shall then be required to submit annual Certification Reports as provided for in sub–subdivision a. of this subdivision.

e. Contracting for Services – The North Carolina Partnership for Children, Inc., and all local Partnerships shall use competitive bidding practices in contracting for goods and services on all contract amounts of $1,500 and above, and where practicable, for amounts of less than $1,500.

f. Role of North Carolina Partnership for Children, Inc. – The role of the North Carolina Partnership for Children, Inc., shall be expanded to provide technical assistance to local partnerships, assess outcome goals for children and families, ensure that statewide goals and legislative guidelines are being met, help establish policies and outcome measures, obtain non–State resources for early childhood and family services, and document and verify the cumulative contributions received by the partnerships.

(2) Funding.

a. Existing partnerships – All 24 local partnerships that received State funds during the 1993–95 biennium shall receive their State funds proposed for the 1995–96 fiscal year. Existing partnerships shall file budgets and plans for review by the North Carolina Partnership for Children, Inc. Funds for the 1996–97 fiscal year shall be available after the Joint Legislative Commission on Governmental Operations has reviewed the independent evaluation discussed in sub–subdivision (1)b. of this subdivision, and the Partnership has approved these plans and budgets in consultation with the Joint Legislative Commission on Governmental Operations. These 24

partnerships shall be required to submit a Certification Annual Report as provided in sub-subdivision a. of subdivision (1) of this section, beginning in April 1997.

b. New partnerships – Funds for planning, up to a maximum of $3,500,000, may be made available to the 12 new partnerships in the 1995-96 fiscal year out of the continuation monies designated for the program. If the performance audit report is determined to be satisfactory to the Joint Legislative Commission on Governmental Operations, funding and other recommendations for expansion shall be made to the General Assembly by the Joint Legislative Commission on Governmental Operations for the 1996-97 fiscal year.

c. Department of Human Resources; State-level administrative funding in the 1995-96 fiscal year and the 1996-97 fiscal year – Of the funds appropriated to the Department of Human Resources for Early Childhood Education and Development Initiatives for the 1995-97 fiscal biennium:

4. Funding for the North Carolina Partnership for Children, Inc., shall be $700,000 for each fiscal year of the biennium.

(3) Matching requirement.

The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match no less than 50% of the total amount budgeted for the Early Childhood Education and Development Initiatives in each fiscal year of the biennium as follows: contributions of cash equal to at least ten percent (10%) and in-kind donated resources equal to no more than ten percent (10%) for a total match requirement of twenty percent (20%) for each fiscal year. Only in-kind contributions that are quantifiable, as determined by the independent auditing firm, shall be applied to the in-kind match requirement.

Failure to obtain a twenty percent (20%) match by May 1 of each fiscal year shall result in a proportionate reduction in the appropriation for the Early Childhood Education and Development Initiatives Program for the next fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report that is submitted to the Joint Legislative Commission on Governmental Operations pursuant to G.S. 143B-168.13(5) in a format that allows verification by the Department of Revenue. The same

match requirements shall apply to any expansion funds appropriated by the General Assembly.

I am privileged to introduce to you his son, Frank Howey, Jr., who just won recently the National Farmers and Ranchers Award. He brings great distinction to North Carolina from being in that position. It is my pleasure, again, to introduce for remarks Frank Howey, Jr.

By Mr. Howey:

It is indeed a pleasure to be invited here in the honoring of my father, Frank W. Howey, Sr. It is not easy to lose your father as well as your best friend. I think one of the things that is so great about being able to work in a family business, in this case, a farm, is that you get to enjoy all the good moments, and even the bad ones are good because you're so close. We worked side by side and he was my best teacher. All the education that I ever had was good, but he taught me the correct values in life. He taught me that a family was important. He taught me that hard work was important, at a very young age. And I got to see how he was honest in his dealings with others and his integrity with others. And I followed his example and it has helped me in my life, hopefully, be a better person. And he was a community leader, and it is very difficult to follow in his footsteps. We all miss him very much; it's hard to believe that he's gone. But I really appreciate the State Senate of North Carolina honoring him. He was one of the gentlemen, as well as there's many others, and women in this State that make this place a great place to live. Thank you. (The Senate responds with a standing ovation.)

"'(b1) Development by each school of strategies for attaining local school and student performance goals. — The principal of each school, representatives of the

assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building, and parents of children enrolled in the school shall constitute a school improvement team to develop a building-level plan to address school and student performance goals appropriate to that school from those established by the local board of education. Parents serving on school improvement teams shall reflect the racial and socioeconomic composition of the students enrolled in that school and shall not be members of the building-level staff. Parental involvement is a critical component of school success and positive student outcomes; therefore, it is the intent of the General Assembly that parents, along with teachers, have a substantial role in developing school and student performance goals at the building level. To this end, school improvement team meetings shall be held at a convenient time to assure substantial parent participation. The strategies for attaining local school and student performance goals shall include a plan for the use of staff development funds that may be made available to the school by the local board of education to implement the building-level plan. ~~These~~ The strategies may include a decision to use State funds allocated for teacher assistants to reduce class size or the student-teacher ratio in kindergarten through the third grade in accordance with G.S. 115C-238.2(b)(5a) or to use State funds in accordance with G.S. 115C-238.2(b)(5b). The strategies may also include requests for waivers of State laws, regulations, or policies for that school. A request for a waiver shall (i) identify the State laws, regulations, or policies that inhibit the local unit's ability to reach its local accountability goals, (ii) set out with specificity the circumstances under which the waiver may be used, and (iii) explain how a waiver of those laws, regulations, or policies will permit the local unit to reach its local goals.

Support among affected staff members is essential to successful implementation of a building-level plan to address school and student performance goals appropriate to a school; therefore, the principal of the school shall present the proposed building-level plan to all of the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building for their review and vote. The vote shall be by secret ballot. The principal may submit the building-level plan to the local board of education for inclusion in the systemwide plan only if the proposed building-level plan has the approval of a majority of the staff who voted on the plan.

The local board of education shall accept or reject the building-level plan. The local board shall not make any substantive changes in any building-level plan that it accepts; the local board shall set out any building-level plan that it accepts in the systemwide plan. If the local board rejects a building-level plan, the local board shall state with specificity its reasons for rejecting the plan; the school improvement team may then prepare another plan, present it to the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building for a vote, and submit it to the local board for inclusion in the systemwide plan. If no building-level plan is accepted for a school before March 15 of the fiscal year preceding the fiscal year in which participation is sought, the local board may develop a plan for the school for inclusion in the systemwide plan; the General Assembly urges the local board to utilize the proposed building-level plan to the maximum extent possible when developing such a plan.'";

and on page 10, lines 18–39, rewrite the lines to read:

"'(a) Prior to June 30 each year, the State Superintendent shall review local school improvement plans submitted by the local school administrative units in accordance with policies and standards adopted by the State Board of Education and shall recommend to the State Board of Education whether the plan should be approved. If the State Board of Education approves the plan for a local school administrative unit, that unit shall participate in the Program for the next fiscal year.

If a local plan contains a request for a waiver of State laws, regulations, or policies, in accordance with G.S. 115C–238.3(b1) or (b2), the State Superintendent shall consider and recommend to the State Board of Education whether and to what extent the identified laws, regulations, or policies should be waived. If the State Board of Education deems it necessary to do so to enable a local unit to reach its local accountability goals, the State Board may grant waivers of:

(1) State laws pertaining to class size, teacher certification, ~~assignment of teacher assistants,~~ the use of State–adopted textbooks, and the purposes for which State funds for the public schools may be used;"

and on page 11, lines 24–25, insert between the lines the following:

"(5) The State Board shall not grant waivers to permit funds under the Teacher Assistant allotment category to be used for any purpose other than for personnel (i) to serve students only in kindergarten through third grade, or (ii) to serve students primarily in kindergarten through third grade when the personnel are assigned to an elementary school to serve the whole school.";

and on page 16, lines 2–3, insert between the lines the following new section:

"Sec. 25. (a) Notwithstanding G.S. 115C–238.2(b)(5a), the State Board of Education shall authorize pilot projects in the Mecklenburg County School Administrative Unit and in the Burke County School Administrative Unit so that the boards of education in those units may use State funds from the allotment for Teacher Assistants for certificated teachers in order to reduce class size or the student–teacher ratio in kindergarten through third grade, in accordance with local school improvement plans developed under G.S. 115C–238.3. No waivers from the State Board of Education are required for this use of funds.

(b) The State Board of Education shall evaluate programs initiated by local school administrative units using teacher assistant funds to reduce class size or the student–teacher ratio in kindergarten through third grade. The Board shall make an appropriate evaluation of the positions affected, the effect on student achievement, and any other factors the Board considers appropriate. The Board shall report the results of the evaluation to the Joint Legislative Education Oversight Committee on or before October 1, 1996, and annually thereafter through October 1, 1999.";

and renumber the remaining section accordingly.

The conferees recommend that the Senate and the House of Representatives adopt this report.

RECOGNITION

With unanimous consent, on motion of Senator Plyler, the rules are suspended to the end he, Senator Odom, Senator Perdue, and Linda Powell of the General Assembly Fiscal Staff may approach the Well of the Senate.

Senator Plyler requests the President to read the following Certificate of Accomplishment and Appreciation in its entirety:

NORTH CAROLINA STATE SENATE
CERTIFICATE OF
ACCOMPLISHMENT AND APPRECIATION

Whereas, Linda Powell has worked for the State of North Carolina for more than 27 years,
rendering valuable fiscal analysis and providing budgetary information to the General Assembly for most of those years; and
Whereas, on November 15, 1994, Linda Powell was presented with the John Bragg Award for Excellence in Legislative Service in Appreciation for Outstanding Service to North Carolina and to the Southern Legislative Conference; and
Whereas, Linda Powell received this award at the fall meeting of the Fiscal Affairs and Government Operations Committee at the Greenbrier in White Sulphur Springs, West Virginia; and
Whereas, Linda Powell deserves special recognition for her dedication and service to the
State of North Carolina;
Now, therefore, this Twenty–Eight Day of July, Nineteen Hundred Ninety–five
Senator Aaron Plyler
Extends Sincere Congratulations to
Linda Powell
for Outstanding and Dedicated Service

With unanimous consent, on motion of Senator Basnight, the remarks of Linda Powell and the remarks honoring Linda Powell are spread upon the Journal, as follows:

By Senator Plyler:

"Thank you, Mr. President and members of the Senate, along with Linda's family. It is certainly a pleasure to present to Linda this Proclamation of Dedication for all of the hard work that Linda has done for this General Assembly, and especially the Senate, over the many, many years. Linda is an invaluable person to this Senate. I don't know how we could do without her. She'd better not take this Proclamation and retire because we would certainly be lost if she did. But, Linda, we appreciate you so much; you have been working with us so closely, Senator Perdue, Senator Odom, all the Subcommittee Chairs, your staff, and members of the North Carolina Senate, we extremely appreciate the good job that you have done and we are proud to present you with this Proclamation."

By Linda Powell:

"Well, as most of you know, I'm usually not speechless. I always have something to say, and this is just—beyond words, is how I feel right now; that I'm recognized in this way. I look at you all as my family. I enjoy doing what I'm doing. I have supported each and every one of you throughout, it will, in fact, be thirty years come October 1 that I have worked on the State budget. And I continue to take a deep interest in the needs of all the citizens of North Carolina. I appreciate you all recognizing me in this way. I will remember this day always, I want you to know that. And I want to thank my family, especially, because my husband hardly knows who I am when this budget session is going on and he has certainly supported you, too, by letting me just live down here. So this is just a wonderful recognition, I appreciate it so much. I was just thoroughly surprised when I got the award in White Sulphur Springs, West Virginia, that not only had I served the North Carolina Legislature, but I had also served The Southern Legislative Conference. The Legislature will always hold a special place in my heart. And I do thank you." (The Senate acknowledges Mrs. Powell with a standing ovation.)

Lieutenant Governor Wicker:

"On behalf of the North Carolina Senate and the Chair, we wish to congratulate you again, Mrs. Powell, and certainly at this time, upon motion of all the members of the Senate—the Chair will recognize Senator Basnight."

By Senator Basnight:

"Thank you, Mr. President. To speak on the resolution, if I may? Thank you. Members of the Senate, to Linda, as we all know her, and as we all realize, she's part of our family. She's a member of this North Carolina Senate, and for the years that we've all had together to work with her, we all realize that she writes the budget—not myself, not Senator Plyler, not Senator Royall, not Senators Odom or Perdue or Daniel, or many others who serve in this Body. We've all seen it done many times when you would turn from the podium to ask her a question or to find out how to answer one of the members. And all through the nights that she would work to prepare it, just as she did last night and the night before and the many weekends, these are things, unless you're directly involved with the budget, you don't realize the time that she has to give—she, as well as all the staff members. She writes the budget, she is "Mr. Budget," or maybe, better yet, better said than that, Senator Ballance, "Mrs. Budget." She's a person that this State owes a great deal of gratitude to. She's the one who makes North Carolina a little better place to live in. Thank you, Linda, for what you've done for, not just us, but the people of this wonderful State. And also, Mr. President, if I may, any remarks that are said pertaining to this special occasion, the recognition of Linda Powell, be spread upon the Journal."

By Lieutenant Governor Wicker:

"So ordered. Members of the Senate, upon motion of all the members of the Senate, the Chair is happy to extend the privileges of the gallery to Mrs. Powell's husband, Glenn. I believe one of the daughters may be here, I don't know which one she is, but Julie and Jenny, and their son, Ramie. They are seated directly in front of me. We certainly want to welcome you here, and we join you in expressing the pride that I know you have, and we have, in your mother and your wife. We also, on behalf of the Senate, wish to express our appreciation for sharing her with us as we go through the budget process in this State.

"And, also, members of the Senate, the Chair is happy to extend the privileges of the floor to the members of the General Assembly Fiscal Staff. I believe most of them are seated around the Chamber, and we certainly want to welcome you and thank you for sharing with us this occasion as we honor one of your own."

Principal III	22–32 Teachers
Principal IV	33–43 Teachers
Principal V	44–54 Teachers

(d) A principal shall be placed on the step on the salary schedule that reflects total number of years of experience as a certificated employee of the public schools and an additional step for every three years of experience as a principal.

(e) Principals and assistant principals with certification based on academic preparation at the six–year degree level shall be paid a salary supplement of one hundred twenty–six dollars ($126.00) per month and at the doctoral degree level shall be paid a salary supplement of two hundred fifty–three dollars ($253.00) per month.

(f) There shall be no State requirement that superintendents in each local school unit shall receive in State–paid salary at least one percent (1%) more than the highest paid principal receives in State salary in that school unit: Provided, however, the additional State–paid salary a superintendent who was employed by a local school administrative unit for the 1992–93 fiscal year received because of that requirement shall not be reduced because of this subsection for subsequent fiscal years that the superintendent is employed by that local school administrative unit so long as the superintendent is entitled to at least that amount of additional State–paid salary under the rules in effect for the 1992–93 fiscal year.

(g) Longevity pay for principals and assistant principals shall be as provided for State employees.

(h) (1) If a principal is reassigned to a higher job classification because the principal is transferred to a school within a local school administrative unit with a larger number of State–allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the higher job classification.

(2) If a principal is reassigned to a lower job classification because the principal is transferred to a school within a local school administrative unit with a smaller number of State–allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the lower job classification.

This subdivision applies to all transfers on or after the ratification date of this act, except transfers in school systems that have been created, or will be created, by merging two or more school systems. Transfers in these merged systems are exempt from the provisions of this subdivision for one calendar year following the date of the merger.

(i) Except as provided in subsection (h) of this section, the salary of a principal or assistant principal shall not be less for the 1995–96 fiscal year than it was for the 1993–94 fiscal year solely as a result of placement on the salary schedule established in this section.

(j) Certified personnel of the public schools who are school administrators and who are at the maximum of their pay range on June 30, 1995, shall receive a one-time bonus as set out in the table below payable at the third payroll period of the 1995–96 school year:

"**§ 126–7.1. Posting requirement; State employees receive priority ~~consideration.~~ consideration; reduction–in–force rights.**

(a) All vacancies for which any State agency, department, or institution openly recruit shall be posted within at least the following:

(1) The personnel office of the agency, department, or institution having the vacancy; and

(2) The particular work unit of the agency, department, or institution having the vacancy

in a location readily accessible to employees. If the decision is made, initially or at any time while the vacancy remains open, to receive applicants from outside the recruiting agency, department, or institution, the vacancy shall be listed with the Office of State Personnel for the purpose of informing current State employees of such vacancy. The State agency, department, or institution may not receive approval from the Office of State Personnel to fill a job vacancy if the agency, department, or institution cannot prove to the satisfaction of the Office of State Personnel that it complied with these posting requirements. The agency, department, or institution which hires any person in violation of these posting requirements shall pay such person when employment is discontinued as a result of such violation for the work performed during the period of time between his initial employment and separation.

(a1) State employees to be affected by a reduction in force shall be notified of the reduction in force as soon as practicable, and in any event, no less than 30 days prior to the effective date of the reduction in force.

(a2) The State Personnel Commission shall adopt rules to provide that priority consideration for State employees separated from State employment as the result of reductions in force is to enable a State employee's return to career service at a salary grade and salary rate equal to that held in the most recent position. The State Personnel Commission shall provide that a State employee who:

(1) Accepts a position at the same salary grade shall be paid at the same salary rate as the employee's previous position.

(2) Accepts a position at a lower salary grade than the employee's previous position shall be paid at the same rate as the previous position unless the salary rate exceeds the maximum of the new salary grade. When the salary rate exceeds the maximum of the salary grade, the employee's new salary rate shall be reduced to the maximum of the new salary grade.

(b) Subsection (a) of this section does not apply to vacancies which must be filled immediately to prevent work stoppage or the protection of the public health, safety, or security.

(c) If a State employee subject to this section:

(1) Applies for another position of State employment that would constitute a promotion and;

(2) Has substantially equal qualifications as an applicant who is not a State employee

then the State employee shall receive priority consideration over the applicant who is not a State employee. This priority consideration shall not apply when the only applicants considered for the vacancy are current State employees.

(c1) If a State employee who has been separated due to reduction in force or who has been given notice of imminent separation due to reduction in force:

(1) Applies for another position of State employment equal to or lower in salary grade than the position held by the employee at the time of notification or separation; and

(2) Is determined qualified for that position

then within ~~the separating agency,~~ all State agencies, the State employee shall receive priority consideration over all other applicants ~~including those who are current State employees not affected by the reduction in force. Within all other agencies, the State employee shall receive priority consideration over other applicants from outside State government,~~ but shall receive equal consideration with other applicants who are current State employees not affected by the reduction in force. This priority shall remain in effect for a period of 12 months from the date the employee receives notification of separation by reduction in force. State employees separated due to reduction in force shall receive higher priority than other applicants with employment or reemployment priorities, except that the reemployment priority created by G.S. 126–5(e)(1) shall be considered as equal. The ~~reduction in force~~ reduction–in–force priority created by this subsection shall be administered in accordance with rules promulgated by the State Personnel Commission.

(c2) If the applicants for reemployment for a position include current State employees, a State employee with more than 10 years of service shall receive priority consideration over a State employee having less than 10 years of service in the same or related position classification. This reemployment priority shall be given by all State departments, agencies, and institutions with regard to positions subject to this Chapter.

(d) 'Qualifications' within the meaning of subsection (c) of this section shall consist of:

(1) Training or education;

(2) Years of experience; and

(3) Other skills, knowledge, and abilities that bear a reasonable functional relationship to the abilities and skills required in the job vacancy applied for."

ASSIST VOLUNTEER SAFETY WORKERS

Sec. 7.21A. (a) Article 87 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58–87–10. Workers' Compensation Fund for the benefit of volunteer safety workers.**

(a) Definition. — As used in this section, the term 'eligible unit' means a volunteer fire department or volunteer rescue/EMS unit that is not part of a unit of local government and is exempt from State income tax under G.S. 105–130.11.

(b) Creation. — The Workers' Compensation Fund is created in the Department of Insurance as an expendable trust fund. Accordingly, interest and other investment income earned by the Fund accrues to it, and revenue in the Fund at the end of a fiscal year remains in the Fund and does not revert.

(c) Use. — Revenue in the Workers' Compensation Fund shall be used to provide workers' compensation benefits to members of eligible units. Chapter 97 of the General Statutes governs the payment of benefits from the Fund. Benefits are payable for compensable injuries or deaths that occur on or after July 1, 1996.

(d) Administration. — The State Fire and Rescue Commission, established under G.S. 58–78–1, shall administer the Workers' Compensation Fund and shall perform this duty by contracting with a third–party administrator. The contracting procedure is not subject to Article 3C of Chapter 143 of the General Statutes. The reasonable and necessary expenses incurred by the Commission in administering the Fund shall be paid out of the Fund by the State Treasurer. The Commission may adopt rules to implement this section.

(e) Revenue Source. — Revenue is credited to the Workers' Compensation Fund from appropriations made to the Department of Insurance for this purpose. In addition, every eligible unit that elects to participate shall pay into the Fund an amount set annually by the State Fire and Rescue Commission to ensure that the Fund will be able to meet its payment obligations under this section. The amount shall be set as a *per capita* fixed dollar amount for each member of the roster of the eligible unit.

The payment shall be made to the State Fire and Rescue Commission on or before July 1 of each year. The Commission shall remit the payments it receives to the State Treasurer, who shall credit the payments to the Fund. If the Commission does not receive an annual payment from an eligible unit by July 1, then that unit shall not receive workers' compensation coverage from the Fund for the fiscal year that begins that July 1."

(b) The first per member payment that eligible fire departments and rescue/EMS units must make to the State Fire and Rescue Commission under G.S. 58–87–10 is payable on or before July 1, 1996.

SMALL SCHOOL SYSTEM SUPPLEMENTAL FUNDING

Sec. 17.2. (a) **Funds for small school systems.** — Except as provided in subsection (b) of this section, the State Board of Education shall allocate funds appropriated for small school system supplemental funding (i) to each county school administrative unit with an average daily membership of less than 3,150

students and (ii) to each county school administrative unit with an average daily membership of from 3,150 to 4,000 students if the county in which the local school administrative unit is located has a county adjusted property tax base per student that is below the State adjusted property tax base per student and if the total average daily membership of all local school administrative units located within the county is from 3,150 to 4,000 students. The allocation formula shall:

(1) Round all fractions of positions to the next whole position.

(2) Provide five and one-half additional regular classroom teachers in counties in which the average daily membership per square mile is greater than four and seven additional regular classroom teachers in counties in which the average daily membership per square mile is four or less.

(3) Provide additional program enhancement teachers adequate to offer the standard course of study.

(4) Change the duty-free period allocation to one teacher assistant per 400 average daily membership.

(5) Provide a base for the consolidated funds allotment of at least one hundred fifty thousand dollars ($150,000), excluding textbooks.

(6) Allot vocational education funds for grade 6 as well as for grades 7-12.

If funds appropriated for each fiscal year for small school system supplemental funding are not adequate to fund fully the program, the State Board of Education shall reduce the amount allocated to each county school administrative unit on a pro rata basis. This formula is solely a basis for distribution of supplemental funding for certain county school administrative units and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for such county administrative units.

(b) **Nonsupplant requirement.** — A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. For the 1995-97 fiscal biennium, the State Board of Education shall not allocate funds under this section to a county found to have used these funds to supplant local per student current expense funds. The State Board of Education shall make a finding that a county has used these funds to supplant local current expense funds in the prior year, or the year for which the most recent data are available, if:

(1) The current expense appropriation per student of the county for the current year is less than ninety-five percent (95%) of the average of the local current expense appropriations per student for the three prior fiscal years; and

(2) The county cannot show (i) that it has remedied the deficiency in funding, or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section.

The State Board of Education shall adopt rules to implement this section.

(c) **Phase-out provision.** — If a local school administrative unit becomes ineligible for funding under this formula solely because of an increase in population or an increase in the county adjusted property tax base per student of the

county in which the local school administrative unit is located, funding for that unit shall be phased–out over a two year period. For the first year of ineligibility, the unit shall receive the same amount it received for the prior fiscal year. For the second year of ineligibility, it shall receive half of that amount.

(d) **Definitions.** — As used in this section:

(1) "Average daily membership" means within two percent (2%) of the average daily membership as defined in the North Carolina Public Schools Allotment Policy Manual, adopted by the State Board of Education.

(2) "County adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of students in average daily membership who reside within the county.

(2a) For the 1995–96 fiscal year, "local current expense funds" means the most recent county current expense appropriations to public schools, as reported by counties in the annual county financial information report to the State Treasurer. For the 1996–97 fiscal year, "local current expense funds" means the most recent county current expense appropriations to public schools, as reported by local boards of education in the audit report filed with the Secretary of the Local Government Commission pursuant to G.S. 115C–447.

(3) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105–289(h).

(4) "State adjusted property tax base per student" means the sum of all county adjusted property tax bases divided by the total number of students in average daily membership who reside within the State.

(4a) "Supplant" means to decrease local per student current expense appropriations from one fiscal year to the next fiscal year.

(5) "Weighted average of the three most recent annual sales assessment ratio studies" means the weighted average of the three most recent annual sales assessment ratio studies in the most recent years for which county current expense appropriations and adjusted property tax valuations are available. If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. If property has been revalued the year of the most recent sales assessment ratio study, the sales assessment ratio for the year of revaluation shall be used.

(e) **Reports.** — The State Board of Education shall report to the Joint Legislative Education Oversight Committee prior to May 1, 1996, on the results of its analysis of whether counties supplanted funds.

Teachers participating in the program shall take paid leave only with the approval of their supervisors.

A teacher for whom the State pays the participation fee (i) who does not complete the process or (ii) who completes the process but does not teach in a North Carolina public school for at least one year after completing the process, shall repay the certification fee to the State. Repayment is not required if the process is not completed or the teacher fails to teach for one year due to the death or disability of the teacher or other extenuating circumstances as may be recognized by the State Board.

This 1,000–bed limitation shall not apply to the 500 beds in private substance abuse treatment centers authorized by the General Assembly prior to July 1, 1995. Contracts entered under the authority of this subsection shall be for a period not to exceed 10 years, shall be renewable from time to time for a period not to exceed 10 years, and are subject to the approval of the Council of State and the Department of Administration, after consultation with the Joint Legislative Commission on Governmental Operations. The Secretary of Correction shall enter contracts under this subsection only if funds are appropriated for this purpose by the General Assembly. The rules regarding good time, gain time, and earned credits, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in private confinement facilities pursuant to this subsection. The operators of private confinement facilities may adopt any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Correction. Custodial officials employed by a private confinement facility are agents of the Secretary of Correction and may use those procedures for use of force authorized by the Secretary of Correction to defend themselves, to enforce the observance of discipline in compliance with confinement facility rules, to secure the person of a prisoner, and to prevent escape. AREA AUTHORITY ACCOUNTABILITY/STATE ACTION

Sec. 23.2. Part 2 of Article 4 of Chapter 122C of the General Statutes is amended by adding the following new sections to read:

"**§ 122C–124. Area Authority funding suspended.**

The Secretary of the Department of Human Resources may suspend funding to any area authority with a revenue or expenditure budget variance of ten percent (10%) or a significant deterioration in the fund balance of the authority's general fund. A significant deterioration of fund balance is defined as a twenty–five percent (25%) decrease in the balance from one fiscal year to the next without the prior approval of the Department. Area authorities shall report any such revenue or expenditure variance or deterioration in fund balance to the Department of Human Resources within 30 days of its occurrence. In the event that funding is suspended, the Department of Human Resources may contract with, and make payments of Department funds on an interim basis directly to, a contract provider of the area authority to avoid the disruption of direct services to clients.

Upon suspension of funding, the Department shall, in conjunction with the area authority, develop and implement a corrective plan of action and provide notification to the area authority's board of directors of the plan. The Department shall also keep the county board of commissioners and the area authority's board of directors informed of any ongoing concerns or problems with the area authority's finances.

"**§ 122C–125. Area Authority financial failure; State assumption of financial control.**

At any time that the Secretary of the Department of Human Resources determines that an area authority is in imminent danger of failing financially and of failing to provide direct services to clients, the Secretary may assume control of the financial affairs of the area authority and appoint an administrator to exercise the powers assumed. This assumption of control shall have the effect of divesting the area authority of its powers as to the adoption of budgets, expenditures of money, and all other financial powers conferred in the area authority by law. County funding of the area authority shall continue when the State has assumed control of the financial affairs of the area authority. At no time after the State has assumed this control shall a county withdraw funds previously obligated or appropriated to

the area authority. The Secretary shall adopt rules to define imminent danger of failing financially and of failing to provide direct services to clients.

Upon assumption of financial control, the Department shall, in conjunction with the area authority, develop and implement a corrective plan of action and provide notification to the area authority's board of directors of the plan. The Department shall also keep the county board of commissioners and the area authority's board of directors informed of any ongoing concerns or problems with the area authority's finances.

"**§ 122C-126. Area authority caretakers appointed.**

In the event that an area authority fails to comply with the corrective plan of action required pursuant to G.S. 122C-124 when funding is suspended or pursuant to G.S. 122C-125 when the State assumes financial control of the area authority, the Secretary of the Department of Human Resources shall appoint a caretaker administrator, a caretaker board of directors, or both.

The Secretary may assign any of the powers and duties of the director of the area authority and of the board of directors and the caretaker board to the caretaker administrator as it deems necessary and appropriate to continue to provide direct services to clients, including the powers as to the adoption of budgets, expenditures of money, and all other financial powers conferred on the area authority by law. County funding of the area authority shall continue when the State has assumed control of the financial affairs of the area authority. At no time after the State has assumed this control shall a county withdraw funds previously obligated or appropriated to the area authority. The caretaker administrator and the caretaker board shall perform all of these powers and duties. The Secretary may terminate the contract of any director when it appoints a caretaker administrator. The Administrative Procedure Act shall apply to any such decision. Neither party to any such contract shall be entitled to damages.

After a caretaker board has been appointed, the General Assembly shall consider, at its next regular session, the future governance of the identified area authority."

Sec. 23.25. (a) Article 7 of Chapter 110 of the General Statutes is amended by adding a new section to read:

"§ 110–90.2. Mandatory day care providers' criminal history checks.

(a) For purposes of this section:

(1) 'Child day care', notwithstanding the definition in G.S. 110–86, means any child day care provided in child day care facilities and child day care homes, including child day care facilities and child day care homes required to be licensed or registered under this Article and nonregistered child day care homes approved to receive or receiving State or federal funds for providing child day care.

(2) 'Child day care provider' means a person who:

a. Is employed by or seeks to be employed by a child day care facility or child day care home providing child day care as defined in subdivision (1) of this subsection; or

b. Owns or operates or seeks to own or operate a child day care facility or child day care home providing child day care as defined in subdivision (1) of this subsection.

(3) 'Criminal history' means a county, state, or federal criminal history of conviction or pending indictment of a crime, whether a misdemeanor or a felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of children as set forth in G.S. 110-90.1. Such crimes include the following North Carolina crimes contained in any of the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication. In addition to the North Carolina crimes listed in this subdivision, such crimes also include similar crimes under federal law or under the laws of other states.

(b) Effective January 1, 1996, the Department shall ensure that the criminal history of all child day care providers is checked and a determination is made of the child day care provider's fitness to have responsibility for the safety and well-being of children based on the criminal history. The Department shall ensure that child day care providers who have lived in North Carolina continuously for the previous five years are checked for county and State criminal histories. The Department shall ensure that all other child day care providers are checked for county, State, and national criminal histories. The Department may prohibit a child day care provider from providing child day care if the Department determines that the child day care provider is unfit to have responsibility for the safety and well-being of children based on the criminal history, in accordance with G.S. 110-90.1.

(c) The Department of Justice shall provide to the Division of Child Development, Department of Human Resources, the criminal history from the State and National Repositories of Criminal Histories of any child day care provider as requested by the Division.

The Division shall provide to the Department of Justice, along with the request, the fingerprints of the provider to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the repositories signed by the child day care provider to be checked. The fingerprints of the provider shall be forwarded to the State Bureau of Investigation for

a search of their criminal history record file and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

At the time of application the day care provider whose criminal history is to be checked shall be furnished with a statement substantially similar to the following:

'NOTICE

MANDATORY CRIMINAL HISTORY CHECK

NORTH CAROLINA LAW REQUIRES THAT A CRIMINAL HISTORY CHECK BE CONDUCTED ON ALL PERSONS WHO PROVIDE CHILD DAY CARE IN A LICENSED OR REGISTERED CHILD DAY CARE FACILITY, AND ALL PERSONS PROVIDING CHILD DAY CARE IN NONREGISTERED CHILD DAY CARE HOMES THAT RECEIVE STATE OR FEDERAL FUNDS.

"Criminal history" includes county, state, and federal convictions or pending indictments of any of the following crimes: the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication; violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).

If it is determined, based on your criminal history, that you are unfit to have responsibility for the safety and well-being of children, you shall have the opportunity to complete, or challenge the accuracy of, the information contained in the SBI or FBI identification records.

If you disagree with the determination of the North Carolina Department of Human Resources on your fitness to provide child day care, you may file a civil lawsuit in the district court in the county where you live.

Any child day care provider who intentionally falsifies any information required to be furnished to conduct the criminal history shall be guilty of a Class 2 misdemeanor.'

Refusal to consent to a criminal history check is grounds for the Department to prohibit the child day care provider from providing child day care. Any child day care provider who intentionally falsifies any information required to be furnished to conduct the criminal history shall be guilty of a Class 2 misdemeanor.

(d) The Department shall notify in writing the child day care provider, and the child day care provider's employer, if any, of the determination by the Department whether the day care provider is qualified to provide child day care based on the child day care provider's criminal history. In accordance with the law regulating the dissemination of the contents of the criminal history file furnished by the

Federal Bureau of Investigation, the Department shall not release nor disclose any portion of the child day care provider's criminal history to the child day care provider or the child day care provider's employer. The Department shall also notify the child day care provider of the procedure for completing or challenging the accuracy of the criminal history and the child day care provider's right to contest the Department's determination in court.

A child day care provider who disagrees with the Department's decision may file a civil action in the district court of the county of residence of the child day care provider.

(e) All the information that the Department receives through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the Department and those persons authorized under this section to receive the information. The Department may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(f) There shall be no liability for negligence on the part of an employer of a child day care provider, an owner or operator of a child day care home or facility, a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Article 31A of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Torts Claim Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(g) The child day care provider who seeks to be employed in child day care and the child day care provider who seeks to own or operate child day care shall pay the cost of the fingerprinting and the local check at the time the child day care provider seeks to provide child day care. The Department of Justice shall perform the State criminal history check. The Department of Human Resources shall bear the costs of obtaining the State criminal history check. If the Department determines that a day care provider who has lived continuously in the State less than five years is not disqualified based on the local and State criminal history record check, the Department shall request a criminal history check from the National Repository of Criminal History from the Department of Justice. AGENCY FISCAL NOTE REQUIRED BEFORE PUBLISHING PROPOSED PERMANENT RULE CHANGE OF SUBSTANTIAL ECONOMIC IMPACT

(b) G.S. 150B–21.4 is amended by adding two new subsections to read:

"(b1) Substantial Economic Impact. — Before an agency publishes in the North Carolina Register the proposed text of a permanent rule change that would have a substantial economic impact and that is not identical to a federal regulation that the agency is required to adopt, the agency must obtain a fiscal note for the proposed rule change from the Office of State Budget and Management or prepare a fiscal note for the proposed rule change and have the note approved by that Office. If an agency requests the Office of State Budget and Management to prepare a fiscal note for a proposed rule change, that Office must prepare the note within 90 days after receiving a written request for the note. If the Office of State Budget and Management fails to prepare a fiscal note within this time period, the agency proposing the rule change may prepare a fiscal note. A fiscal note prepared in this circumstance does not require approval of the Office of State Budget and Management.

If an agency prepares the required fiscal note, the agency must submit the note to the Office of State Budget and Management for review. The Office of State Budget and Management must review the fiscal note within 14 days after it is submitted and either approve the note or inform the agency in writing of the reasons why it does not approve the fiscal note. After addressing these reasons, the agency may submit the revised fiscal note to that Office for its review. If an agency is not sure whether a proposed rule change would have a substantial economic impact, the agency may ask the Office of State Budget and Management to determine whether the proposed rule change has a substantial economic impact.

As used in this subsection, the term 'substantial economic impact' means an aggregate financial impact on all persons affected of at least five million dollars ($5,000,000) in a 12-month period.

(b2) Content. — A fiscal note required by subsection (b1) of this section must contain the following:

(1) A description of the persons who would be affected by the proposed rule change.

(2) A description of the types of expenditures that persons affected by the proposed rule change would have to make to comply with the rule and an estimate of these expenditures.

(3) A description of the purpose and benefits of the proposed rule change.

(4) An explanation of how the estimate of expenditures was computed."

PROCEDURE FOR ADOPTING A PERMANENT RULE

(c) G.S. 150B-21.1 reads as rewritten:

"§ **150B-21.1. Procedure for adopting a temporary rule.**

(a) Adoption. — An agency may adopt a temporary rule without prior notice or hearing or upon any abbreviated notice or hearing the agency finds practical when it finds that adherence to the notice and hearing requirements of this Part would be contrary to the public interest and that the immediate adoption of the rule is required by one or more of the following:

(1) A serious and unforeseen threat to the public health, safety, or welfare.

(2) The effective date of a recent act of the General Assembly or the United States Congress.

(3) A recent change in federal or State budgetary policy.

(4) A federal regulation.

(5) A court order.

(6) The need for the rule to become effective the same date as the State Medical Facilities Plan approved by the Governor, if the rule addresses a matter included in the State Medical Facilities Plan.

An agency must prepare a written statement of its findings of need for a temporary rule. The statement must be signed by the head of the agency adopting the rule.

~~An agency must begin rule-making proceedings for a permanent rule by the day it adopts a temporary rule. An agency begins rule-making proceedings for a permanent rule by submitting to the Codifier of Rules written notice of its intent to adopt a permanent rule.~~

(b) Review. — When an agency adopts a temporary rule it must submit the ~~rule,~~ rule and the agency's written statement of its findings of the need for the ~~rule, and the notice of intent to adopt a permanent~~ rule to the Codifier of Rules. Within one business day after an agency submits a temporary rule, the Codifier of Rules must review the agency's written statement of findings of need for the rule to determine whether the statement of need meets the criteria listed in subsection (a). In reviewing the statement, the Codifier of Rules may consider any information submitted by the agency or another person. If the Codifier of Rules finds that the statement meets the criteria, the Codifier of Rules must notify the head of the agency and enter the rule in the North Carolina Administrative Code.

If the Codifier of Rules finds that the statement does not meet the criteria, the Codifier of Rules must immediately notify the head of the agency. The agency may supplement its statement of need with additional findings or submit a new statement. If the agency provides additional findings or submits a new statement, the Codifier of Rules must review the additional findings or new statement within one business day after the agency submits the additional findings or new statement. If the Codifier of Rules again finds that the statement does not meet the criteria listed in subsection (a), the Codifier of Rules must immediately notify the head of the agency.

If an agency decides not to provide additional findings or submit a new statement when notified by the Codifier of Rules that the agency's findings of need for a rule do not meet the required criteria, the agency must notify the Codifier of Rules of its decision. The Codifier of Rules must then enter the rule in the North Carolina Administrative Code on the sixth business day after receiving notice of the agency's decision.

(c) Standing. — A person aggrieved by a temporary rule adopted by an agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes. In the action, the court shall determine whether the agency's written statement of findings of need for the rule meets the criteria listed in subsection (a) and whether the rule meets the standards in G.S. 150B–21.9 that apply to review of a permanent rule. The court ~~may~~ shall not grant an *ex parte* temporary restraining order.

Filing a petition for rule making or a request for a declaratory ruling with the agency that adopted the rule is not a prerequisite to filing an action under this subsection. A person who files an action for declaratory judgment under this subsection must serve a copy of the complaint on the agency that adopted the rule being contested, the Codifier of Rules, and the Commission.

(d) Effective Date and Expiration. — A temporary rule becomes effective on the date specified in G.S. 150B–21.3. A temporary rule expires on the earliest of the following dates:

(1) The date specified in the ~~rule or 180 days from the date the rule becomes effective, whichever comes first.~~ rule.

(2) The effective date of the permanent rule adopted to replace the temporary rule, if the Commission approves the permanent rule.

(3) The date the Commission returns to an agency a permanent rule the agency adopted to replace the temporary rule, if the Commission objects to the permanent rule.

(e) Publication. — When the Codifier of Rules enters a temporary rule in the North Carolina Administrative Code, the Codifier must publish the rule in the North Carolina Register. Publication of a temporary rule in the North Carolina Register serves as a notice of rule-making proceedings for a permanent rule that does not differ substantially from the published temporary rule."

(d) G.S. 150B–21.2 reads as rewritten:

"**§ 150B–21.2. Procedure for adopting a permanent rule.**

~~(3) A citation to the law that gives the agency the authority to adopt the proposed rule, if the notice includes the text of the proposed rule, or a citation to the law that gives the agency the authority to adopt a rule on the subject matter of the proposed rule making, if the notice includes only a statement of the subject matter of the proposed rule making.~~

~~(4) The proposed effective date of the proposed rule, if the notice includes the text of the proposed rule, or the proposed effective date of a rule adopted on the subject matter of the proposed rule making, if the notice includes only a statement of the subject matter of the proposed rule making.~~

~~(5) The date, time, and place of any public hearing scheduled on the proposed rule or subject matter of the proposed rule making.~~

~~(7) The period of time during which and the person to whom written comments may be submitted on the proposed rule or subject matter of the proposed rule making.~~

~~(8) If a fiscal note has been prepared for the proposed rule or will be prepared when a rule is proposed on the subject matter of the proposed rule making, a statement that a copy of the fiscal note can be obtained from the agency.~~

(b) Notice of Rule-Making Proceedings. — A notice of rule-making proceedings published in the North Carolina Register must include all of the following:

(1) A statement of the subject matter of the proposed rule making.

(2) A short explanation of the reason for the proposed action.

(3) A citation to the law that gives the agency the authority to adopt a rule on the subject matter of the proposed rule making.

(4) The person to whom questions or written comments may be submitted on the subject matter of the proposed rule making.

Publication in the North Carolina Register of an agency's rule-making agenda satisfies the requirements of this subsection if the agenda includes the information required by this subsection.

(1) The text of the proposed rule.
(2) A short explanation of the reason for the proposed rule.

(7) The period of time during which and the person to whom written comments may be submitted on the proposed rule.
(8) If a fiscal note has been prepared for the rule, a statement that a copy of the fiscal note can be obtained from the agency.

An agency shall not publish the proposed text of a rule until at least 60 days after the date the notice of rule-making proceedings for the proposed rule was published in the North Carolina Register.

~~(b)~~ (d) Mailing List. — An agency must maintain a mailing list of persons who have requested notice of rule making. When an agency publishes a rule-making notice in the North Carolina ~~Register,~~ Register a notice of rule-making proceedings or the text of a proposed rule, it must mail a copy of the notice or text to each person on the mailing list who has requested notice of rule-making proceedings on the ~~rule or the~~ subject matter ~~for rule making~~ described in the ~~notice.~~ notice or the rule affected. An agency may charge an annual fee to each person on the agency's mailing list to cover copying and mailing costs.

~~(c)~~ (e) Hearing. — An agency must hold a public hearing on a rule it proposes to adopt ~~in two circumstances and may hold a public hearing in other circumstances. When an agency is required to hold a public hearing on a proposed rule or decides to hold a public hearing on a proposed rule when it is not required to do so, the agency must publish in the North Carolina Register a notice of the date, time, and place of the public hearing. The hearing date of a public hearing held after the agency publishes notice of the hearing in the North Carolina Register must be at least 15 days after the date the notice is published.~~

~~An agency must hold a public hearing on a rule it proposes to adopt in the following two circumstances:~~

~~(1) The agency publishes a statement of the subject matter of the proposed rule making in the notice in the North Carolina Register.~~

~~(2)~~ ~~The~~ if the agency publishes the text of the proposed rule ~~in the notice~~ in the North Carolina Register and all the following apply:

~~d.~~ (3) The proposed text is not a changed version of proposed text the agency previously published in the course of rule-making proceedings but did not adopt.

An agency may hold a public hearing on a proposed rule in other circumstances. When an agency is required to hold a public hearing on a proposed rule or decides to hold a public hearing on a proposed rule when it is not required to do so, the agency must publish in the North Carolina Register a notice of the date, time, and place of the public hearing. The hearing date of a public hearing held after the agency publishes notice of the hearing in the North Carolina Register must be at least 15 days after the date the notice is published.

~~(d) Text After Subject-Matter Notice. — When an agency publishes notice of the subject matter of proposed rule making in the North Carolina Register, it must subsequently publish in the North Carolina Register the text of the rule it proposes to adopt as a result of the public hearing and of any comments received on the subject matter. An agency may not publish the proposed text of a rule for which it published a subject-matter notice before the public hearing on the subject matter.~~

~~(e)~~ (f) Comments. — An agency must accept comments on a notice of proposed rule-making proceedings published in the North Carolina Register until the text of the proposed rule that results from the notice is published. An agency must accept comments on the text of a proposed rule that is published in the North Carolina Register and that requires a fiscal note under G.S. 150B-21.4(b1) for at least 60 days after the text is published or until the date of any public hearing held on the proposed rule, whichever is longer. An agency must accept comments on the text of ~~a~~ any other proposed rule published in the North Carolina Register for at least 30 days after the text is published or until the date of any public hearing held on the proposed rule, whichever is longer. ~~An agency must accept comments on a statement of the subject matter of proposed rule making until the public hearing on the subject matter.~~ An agency must consider fully all written and oral comments received.

~~(f)~~ (g) Adoption. — An agency ~~may~~ shall not adopt a rule until the time for commenting on the proposed text of the rule has elapsed and ~~may~~ shall not adopt a rule if more than 12 months have elapsed since the end of the time for commenting on the proposed text of the rule. An agency ~~may~~ shall not adopt a rule that differs substantially from the text of a proposed rule published in the North Carolina Register unless the agency publishes the text of the proposed different rule in the North Carolina Register and accepts comments on the proposed different rule for the time set in subsection ~~(e)~~. (f) of this section.

An adopted rule differs substantially from a proposed rule if it does one or more of the following:

(1) Affects the interests of persons who, based on either the notice ~~published in the North Carolina Register~~ of rule-making proceedings or the proposed text of the ~~rule,~~ rule published in the North Carolina

Register, could not reasonably have determined that the rule would affect their interests.

(2) Addresses a subject matter or an issue that is not addressed in the proposed text of the rule.

RULES REVIEW COMMISSION ROLE STRENGTHENED

(e) G.S. 150B-21.3 reads as rewritten:

"§ **150B-21.3. Effective date of rules.**

(a) Temporary Rule. — A temporary rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. — A permanent rule approved by the Commission becomes effective ~~five business days after the Commission delivers the rule to the Codifier of Rules, unless the agency adopting the rule specifies a later effective date. If the agency specifies a later effective date, the rule becomes effective on that date.~~ on the thirty-first legislative day of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a later effective date applies under this subsection. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission ~~becomes effective five business days after the agency adopting the rule delivers the rule to the Codifier of Rules, unless the agency adopting the rule specifies a later effective date. If the agency specifies a later effective date, the rule becomes effective on that date.~~ or that is specifically disapproved by a bill ratified by the General Assembly before it becomes effective does not become effective.

A bill specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been

approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.

(c) Executive Order Exception. — The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission and has not become effective under subsection (b) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action.

A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill ratified on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill ratified by the General Assembly is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill ratified by the General Assembly within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.

(d) Legislative Day and Day of Adjournment. — As used in this section:

(1) A 'legislative day' is a day on which either house of the General Assembly convenes in regular session.

(2) The 'day of adjournment' of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution for more than 10 days.

(3) The 'day of adjournment' of a regular session held in an even-numbered year is the day the General Assembly adjourns *sine die*.

(c) (e) OSHA Standard. — A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date."

(f) G.S. 150B-21.9(a) reads as rewritten:

"(a) Standards. — The Commission must determine whether a rule meets all of the following criteria:

(1) It is within the authority delegated to the agency by the General Assembly.

(2) It is clear and unambiguous.

(3) It is reasonably necessary to fulfill a duty delegated to the agency by the General ~~Assembly.~~ Assembly, when considered in light of the cumulative effect of all rules adopted by the agency related to the specific purpose for which the rule is proposed and the legislative intent of the General Assembly in delegating the duty.

The Commission may determine if a rule submitted to it was adopted in accordance with Part 2 of this Article. The Commission may ask the Office of State Budget and Management to determine if a rule has a substantial economic impact and is therefore required to have a fiscal note. The Commission must ask the

Office of State Budget and Management to make this determination if a fiscal note was not prepared for a rule and the Commission receives a written request for a determination of whether the rule has a substantial economic impact.

The Commission must notify the agency that adopted the rule if it determines that a rule was not adopted in accordance with Part 2 of this Article and must return the rule to the agency. Entry of a rule in the North Carolina Administrative Code after review by the Commission is conclusive evidence that the rule was adopted in accordance with Part 2 of this Article."

(g) G.S. 150B-21.11, as amended by Section 4 of Chapter 415 of the 1995 Session Laws, reads as rewritten:

"**§ 150B-21.11. Procedure when Commission approves permanent rule.**

~~(a)~~ When the Commission approves a permanent rule, it must notify the agency that adopted the rule of the Commission's ~~approval and must~~ approval, deliver the approved rule to the Codifier of Rules. Rules, and include the text of the approved rule and a summary of the rule in its next report to the Joint Legislative Administrative Procedure Oversight Committee. ~~The Commission must deliver an approved rule by the end of the month in which the Commission approved the rule, unless the agency asks the Commission to delay the delivery of the rule.~~

~~(b) When the Commission approves a permanent rule that would~~ If the approved rule will increase or decrease expenditures or revenues of a unit of local government, the Commission shall must also notify the Governor of the Commission's approval of the rule and deliver a copy of the approved rule to the Governor by the end of the month in which the Commission approved the rule."

(h) G.S. 150B-21.12 reads as rewritten:

"**§ 150B-21.12. Procedure when Commission objects to a permanent rule.**

(a) Action. — When the Commission objects to a permanent rule, it must send the agency that adopted the rule a written statement of the objection and the reason for the objection. The agency that adopted the rule must take one of the following actions:

(1) Change the rule to satisfy the Commission's objection and submit the revised rule to the Commission.

(2) Submit a written response to the Commission indicating that the agency has decided not to change the rule.

(b) Time Limit. — An agency that is not a board or commission must take one of ~~these~~ the actions listed in subsection (a) of this section within 30 days after receiving the Commission's statement of objection. A board or commission must take one of these actions within 30 days after receiving the Commission's statement of objection or within 10 days after the board or commission's next regularly scheduled meeting, whichever comes later.

(c) Changes. — When an agency changes a rule in response to an objection by the Commission, the Commission must determine whether the change satisfies the Commission's objection. If it does, the Commission must approve the rule. If it does not, the Commission must send the agency a written statement of the Commission's continued objection and the reason for the continued objection.

(d) Return of Rule. — A rule to which the Commission has objected remains under review by the Commission until the agency that adopted the rule decides not to satisfy the Commission's objection and makes a written request to the Commission to return the rule to the agency. When the Commission returns a rule to which it has objected, it ~~may send to the President of the Senate and each member~~

~~of the General Assembly a report of its objection to the rule.~~ must notify the Codifier of Rules of its action and must send a copy of the record of the Commission's review of the rule to the Joint Legislative Administrative Procedure Oversight Committee in its next report to that Committee. If the rule that is returned would have increased or decreased expenditures or revenues of a unit of local government, the Commission must also notify the Governor of its action and must send a copy of the record of the Commission's review of the rule to the Governor. The record of review consists of the rule, the Commission's letter of objection to the rule, the agency's written response to the Commission's letter, and any other relevant documents before the Commission when it decided to object to the rule.

~~(b) Entry In Code. — When the Commission returns a rule to which it has objected to the agency that adopted the rule, the Commission must notify the Codifier of Rules of its action and of the basis of the Commission's objection. An agency whose rule is returned may file the rule with the Codifier of Rules. When the Codifier of Rules enters in the North Carolina Administrative Code a rule to which the Commission objected, the entry must reflect the Commission's objection and must state the standard on which the Commission based its objection.~~"

(i) G.S. 150B–21.15 is repealed. This subsection does not abate any action or appeal brought under G.S. 150B–21.15 prior to the effective date of this section.

By Senator Perdue for the **Appropriations Committee**:

S.B. 905 (Committee Substitute), a bill to affect the membership of the State Fire and Rescue Commission as written by the **Pensions and Retirement/ Insurance/State Personnel Committee**, with a favorable report.

With unanimous consent, on motion of Senator Perdue, the rules are suspended to the end the Committee Substitute bill is placed at the end of today's Calendar for consideration upon its passage.

With unanimous consent, on motion of Senator Basnight, the remarks of Senator Odom, who rises to a point of personal privilege, memorializing his law partner of twenty–five years, Maurice Weinstein, are spread upon the Journal, as follows:

By Senator Odom:

"Members of the Senate, I'll be very brief. I want to say just a few words about the death of my law partner, Maurice Weinstein, who passed away earlier this

week, and he was buried yesterday. I think all of us would agree that death brings us to a bittersweet moment of life. And I know that most of you know that Senator Perdue, Senator Plyler, Senator Edwards, and Senator Odom have experienced a lot of those bittersweet moments in the last few months.

"In the last fourteen months I've said 'goodbye' to my mother and to my father, and then this week, I said 'goodbye' to my law partner with whom I practiced law for twenty–five years. We had a very, very close personal friendship that spanned over thirty–three years.

"I wanted to say something about him to you because he was like a second father to me. He died at the age of eighty–one. But Maurice Weinstein exemplified what was good, honorable, and decent about being an attorney. And in a day when lawyers are severely criticized, I think it's appropriate that we can say something good about someone who was a 'lawyer's lawyer.'

"He was meticulous in his research and details. He was thorough and scholarly in preparation. He was the consummate advocate and he taught me to never give up. But he also taught me that one in the legal profession, as well as all walks of life, should avoid even the appearance of impropriety. He demanded the highest of ethical standards for the attorneys that worked with him. He was insistent on being fair with his clients in charging fees. He had an immense vocabulary. He was an extremely intelligent individual. He issued words of moderation and reason, and he always said, 'Never use ten words when one word will do.' He was adamantly opposed to advertising. He thought that was beneath the dignity of the profession.

"He also had another side, and that was his admiration of other attorneys. He was a close personal friend of James B. McMillan, who turned out to be the judge that ruled in the school bus desegregation—busing desegregation case that my law firm was on the losing side of. He also greatly honored another lawyer, Charles Raper Jonas who was Congressman for many, many years. And he had a special love in his heart for the most outstanding lawyer of North Carolina that ever lived, and that was Zebulon Vance. He was a classmate of Richard Nixon. He was a loyal classmate because he was still researching a defense for his impeachment even after Richard Nixon resigned from the Presidency.

"I will conclude with two words from Proverbs about Maurice Weinstein. 'A wise man is mightier than a strong man, and a man of knowledge than he who has strength. For by wise guidance you can wage your war and in abundance of counselors there is victory.' And from Proverbs 25, 'A word fitly spoken is like apples of gold in a setting of silver. Like a gold ring, or an ornament of gold is a wise reprover to a listening ear.' It was sad to say 'goodbye' to a great individual, but in my judgment, one of the finest lawyers that ever practiced in North Carolina."

A BILL TO BE ENTITLED

AN ACT TO REQUIRE A PERSON WHO PERFORMS THE LAND APPLICATION OF ANIMAL WASTE FROM SWINE PRODUCTION TO BE CERTIFIED.

The General Assembly of North Carolina enacts:

Section 1. Article 21 of Chapter 143 of the General Statutes is amended by adding a new Part to read:

"Part 9A. Application of Animal Waste.

"§ 143-215.74C. Definitions.

As used in this Part:

(1) 'Animal waste' means liquid residuals, resulting from the raising of swine (Sus scrofa), that are collected, treated, stored, or applied to the land through an animal waste management system.

(2) 'Animal waste management system' means a combination of structural and nonstructural practices that will properly collect, treat, store, or apply animal waste to the land such that no discharge of pollutants occurs to surface waters of the State by any means except as a result of a storm event more severe than the 25-year, 24-hour storm. For purposes of this Part, 'animal waste management system' means a system that is designed to manage and that actually serves more than 250 swine (Sus scrofa).

(3) 'Application' means laying, spreading on, irrigating, or injecting animal waste onto land.

(4) 'Owner' means the person who owns or controls the land used for agricultural purposes or the person's lessee or designee.

(5) 'Operator in charge' means a person who holds a currently valid certificate to operate an animal waste management system and who has primary responsibility for the operation of the system.

"§ 143-215.74D. Purpose; animal waste management required; certified operators required.

(a) The purpose of this Part is to reduce nonpoint source pollution in order to protect the public health and to conserve and protect the quality of the State's water resources and to encourage the development and improvement of the State's agricultural land for the production of food and other agricultural products.

(b) Animal waste subject to this Part shall be managed so that the application of the waste does not cause a discharge of pollutants to the surface waters of the State, except as a result of a storm event more severe than a 25-year, 24-hour storm.

(c) Only an operator in charge or a person under the supervision of an operator in charge may apply animal waste to the land. The owner or other person in control of the land used for the swine production is responsible for ensuring that the application is performed by an operator in charge or person under the supervision of an operator in charge.

(d) This Part is not intended to supplant any permit otherwise required to be obtained from the Department for the discharge of an animal waste.

"§ 143-215.74E. Qualifications for operators of animal waste management systems; issuance of certificates.

(a) The Department, in cooperation with the Cooperative Extension Service, shall develop and administer a training and certification program for the operator

in charge of an animal waste management system. Each applicant shall complete six hours of instruction on the operation of animal waste management systems. The Department shall issue a certificate as an operator in charge to a person who completes the instructional requirements established by this subsection, demonstrates competence in the operation of animal waste management systems by passing an appropriate examination, and pays a ten dollar ($10.00) fee.

(b) The certificate shall be renewed annually, provided that the training and examination requirements established under subsection (a) of this section shall be completed at least once every five years. The annual renewal fee shall be ten dollars ($10.00).

(c) In addition to other penalties authorized by law, the Department may assess a civil penalty of up to one thousand dollars ($1,000) against a person who violates this Part and, in accordance with the procedure set forth in Chapter 150B of the General Statutes, may suspend or revoke a certificate or may issue a written reprimand to an operator in charge if it finds that the operator in charge has practiced fraud or deception; that reasonable care, judgment, or the application of his knowledge or ability was not used in the performance of his duties; or that the operator in charge is incompetent or unable to properly perform his duties.

(d) The Department shall adopt rules to implement this Part."

Sec. 2. G.S. 143–215.74E(d), as enacted by Section 1 of this act, is effective upon ratification. All other provisions of this act become effective 1 January 1997.

ADDENDUM

ERRATA

May 10, 1995 (See page 536)

A Special Message from the House of Representatives was read following the Report to the General Assembly on May 10, and was inadvertently omitted. The Special Message reads as follows:

SPECIAL MESSAGE FROM THE HOUSE OF REPRESENTATIVES

H.B. 373

House of Representatives
May 10, 1995

Mr. President:

It is ordered that a message be sent your Honorable Body with the information that the House has adopted the report of the Conferees on Senate Amendment # 1 to **HB 373**, A BILL TO BE ENTITLED AN ACT TO PROHIBIT THE RUNNING OF DEER BY DOGS IN THE TOWN OF SOUTHERN SHORES, which changes the title to read, **HB 373**, A BILL TO BE ENTITLED AN ACT TO PROHIBIT THE RUNNING OF DEER BY DOGS IN THE TOWN OF SOUTHERN SHORES AND TO PROHIBIT THE TAKING OF DEER WITH DOGS IN A PORTION OF RICHMOND COUNTY, to the end that when a similar action has been taken on the part of the Senate, we will order the bill enrolled.

Respectfully,
S/Denise Weeks
Principal Clerk

July 28, 1995 (See page 1363)

S.B. 501, a bill to require the parents of a dependent child who is the parent of a dependent child to contribute to the support of their grandchild.

The order of the Chair notifying the House of Representatives of the dismissal of conferees failed to be delivered.

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 50 states:

> No bill on its third reading shall be acted upon out of the regular order in which it stands on the calendar, and no bill shall be acted upon on its third reading the same day on which it passed its second reading, unless so ordered by two–thirds of the membership of the Senate present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

(1) when a member moves that the Rule be suspended, and this motion prevails by at least a two–thirds vote of the membership of the Senate present and voting, or

(2) when the Chair determines that there is no objection from any member present, which constitutes unanimous consent that Rule 50 be suspended.

In these cases, the bill is read a third time and remains before the Senate for further consideration.

— — — — — — —

It will be noted the phrase "without objection" appears throughout the Senate Journal. Upon a motion offered, this reflects a determination by the Chair there is no objection from a member present, which constitutes unanimous consent, for the order of the Chair.

— — — — — — —

It will be noted that when a bill passes its second reading and remains on the Calendar for further consideration, unless indicated otherwise, the measure is placed on the Calendar for the next legislative day in its regular order of business.

— — — — — — —

It will be noted that Rule 20(2) of the House of Representatives requires that "*all measures affecting a fee imposed by the State or any subdivision thereof*" are classified roll–call measures for the purpose of spreading the ayes and noes on the Journal. Though the Senate Rules do not require, the Rule of the House of Representatives is honored and the measures are considered as roll–call measures, unless ruled otherwise by the presiding officer.

— — — — — — —

It will be noted the Presiding Officer of the Senate rules in a number of instances that "*the bill does not require a call of the roll*" or "*requires a call of the roll.*" The ruling is made pursuant to the following citation which reads:

North Carolina Constitution--Article II

Sec. 23.—*Revenue bills.* No laws shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several reading, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal.

It will be noted that numerical figures appear within parentheses throughout the Senate Journal. These figures represent the affirmative and negative votes cast and recorded electronically, pursuant to Senate Rule 25. Copies of the voting print-out are on file in the Legislative Library and the original is deposited in the Division of Archives and History of the Department of Cultural Resources.

Sylvia Fink
Principal Clerk

COMMUNITY COLLEGES		
Expansion Budget		
Revised Continuation Budget	$436,169,834	$440,765,325
Department of Community Colleges		
1 **Improve Curriculum Faculty/Student Ratio-** Reduce the current faculty/student ratio to provide additional funds to all community colleges through the funding formula on a sliding scale as requested by the State Board of Community Colleges: 1 to 17 for the first 250 FTE 1 to 18 for the next 125 FTE 1 to 19.5 for the next 125 FTE 1 to approximately 21.55 for all FTE over 500	$12,600,00 **R**	$12,600,000 **R**
2 **Change "Continuing Budget" Parameters** Under the continuing budget concept adopted by the 1994 Session of the General Assembly, community colleges' budgets are not adjusted for enrollment declines or growth until they exceed 4%. This proposal would change the percentages necessary for enrollment adjustments: Colleges would not lose FTE until their declines exceeded 5%. They would get growth money when their additional FTE exceeded 3%.	$1,085,485 **R**	$1,085,485 **R**
3 **Focused Industrial Training (FIT) Increase** These funds add four new FIT centers and increase the "balance of state" funds for those colleges without a center. 33 colleges now have a FIT center which provides customized training services to existing industries.	$507,032 **R**	$507,032 **R**
4 **State Information Processing Services (SIPS)Charge** This will fund the additional cost of the community college system's computer operation due to moving from the Education Computing Services (ECS) to SIPS beginning July 1.	$243,600 **R**	$243,600 **R**

SENATE RESOLUTIONS
FIRST SESSION 1995

Adopted January 25, 1995 (See page 28)

S.R. 1, A SENATE SIMPLE RESOLUTION ADOPTING THE PERMANENT RULES OF THE SENATE FOR THE REGULAR SESSIONS OF THE 1995 GENERAL ASSEMBLY OF NORTH CAROLINA.

Adopted February 27, 1995 (See page 143)

S.R. 176, A SENATE SIMPLE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.

Be it resolved by the Senate:

Section 1. The following procedures for nominating and electing members of the Board of Governors of The University of North Carolina are adopted:

I. COMMITTEE RESPONSIBILITIES.

1. It is the duty of the Senate Committee on Education/Higher Education (hereinafter referred to as the "Senate Committee") to choose nominees for each opening in each category of seats on the Board of Governors of The University of North Carolina to which the Senate is to elect members.

2. The Senate Committee shall receive suggestions of proposed candidates for nomination for election to the University Board of Governors through February 28, 1995. A Senator may propose as a candidate for nomination as many persons in a category as there are positions to fill in a category. In 1995 the total number of positions is eight. In order for a person to have standing to be considered as a candidate for nomination by the Senate Committee, that person must be formally proposed as a candidate for nomination by a member of the Senate. Only a written nomination on a form provided by the cochairs of the Senate Committee for that purpose and received in the office of one of the cochairs of the Senate Committee by 5:00 p.m. on February 28, 1995, shall constitute formal proposal of a candidate. An individual cannot be a candidate for nomination or be nominated in more than one category.

3. A Senator may propose candidates for nomination only for the categories available for election by the Senate. In the 1995 Session, the Senate will elect:

(a) Six at-large members for four-year terms; and

(b) Two members of the political party to which the largest minority of members of the General Assembly belong for four-year terms.

4. On or after March 1, 1995, the Senate Committee shall list all proposed candidates for nomination by category. The Senate Committee shall screen the proposed candidates for nomination as to their qualifications and background and may interview each one to make sure that suitable persons are nominated for each category. The Senate Committee shall ascertain that each candidate for nomination is willing and able to serve and has no statutory disability. On completion of the screening process, the Senate Committee shall vote on each candidate proposed for nomination. If a sufficient number of nominees who are legally qualified are submitted in a category, then the slate of candidates shall list at least twice

the number of candidates for the total seats open in a category. A candidate for nomination that receives the vote of a majority of those members of the Senate Committee present and voting shall become a nominee on the Senate ballot.

5. The cochairs of the Senate Committee shall ascertain whether the nominees for election by the Senate would serve if elected. Any nominee may withdraw without the approval of the sponsor.

6. Senate Committee nominees shall be placed before and recommended to the Senate for election.

II. ELECTIONS IN THE SENATE.

1. A ballot shall be prepared under the supervision of the cochairs of the Senate Committee for the use of the Senate.

2. The ballot shall list only the names of those nominees proposed by the Senate Committee who have consented to run and for whom the Senate is entitled to vote. Their names shall be arranged: (a) by category and (b) within each category, alphabetically by surname.

3. The Senate shall hold its election no later than the beginning of the daily session on March 28, 1995. Before the voting begins, one of the cochairs of the Senate Committee shall explain the voting rules, which are:

(a) No nomination shall be received from the floor.

(b) In order to be chosen, a nominee must receive the votes of a majority of all members present and voting in the nominee's category.

(c) Each member present and voting shall vote for as many nominees as there are positions to be filled in each category, and any ballot not so marked shall be deemed void as to that category.

(d) When fewer than two nominees in the minority party category, or fewer than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, a runoff to fill the open position or positions shall be conducted among the nominees who were not elected but who received the highest number of votes cast in each category, and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.

(e) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff balloting, even though there would be more than two nominees per available position, unless the deciding vote is cast in accordance with the North Carolina Constitution, Article II, Section 13.

(g) When more than two nominees in the minority party category, or more than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, then the two nominees in the minority category, or the six nominees in the at-large category, receiving the highest number of votes in the category shall be deemed to have been chosen.

4. The Senators shall proceed to mark their ballots for the following:

(a) Two persons in the minority political party of the General Assembly category for four-year terms; and

(b) Six persons in the at-large category for four-year terms.

Every ballot shall be signed by the Senator casting it, and no unsigned ballots shall be counted.

5. The cochairs of the Senate Committee shall be responsible for canvassing the vote and declaring the results. All ballots shall be retained by the Princi-

pal Clerk as part of the permanent records of the Senate and shall be open for immediate public inspection.

6. S.R. 285, A SENATE SIMPLE RESOLUTION MEMORIALIZING CONGRESS TO RELIEVE SMALL WATER SUPPLY SYSTEMS FROM COMPLYING WITH UNNECESSARY FEDERAL TESTING REQUIREMENTS FOR DRINKING WATER SUPPLIES.

Whereas, the federal Safe Drinking Water Act requires small water supply systems to test for various contaminants in drinking water sources; and

Whereas, every three years, the Environmental Protection Agency is required to add 25 new contaminants to the list of contaminants for which drinking water sources are to be tested; and

Whereas, the testing and monitoring of some contaminants as with some types of pesticides can cost several thousands of dollars each year; and

Whereas, the cost too small water supply systems in complying with the federal testing requirements for drinking water sources is unduly burdensome;

Now, therefore, be it resolved by the Senate:

Section 1. The North Carolina Senate respectfully memorializes the Congress of the United States to relieve small water supply systems from the burden of complying with unnecessary federal testing requirements for drinking water sources.

Sec. 2. The Principal Clerk shall transmit a certified copy of this resolution to the President of the United States Senate, the Speaker of the United States House of Representatives, and to each member of North Carolina's Congressional Delegation.

Sec. 3. This resolution is effective upon adoption.

Offered May 1, 1995 (See page 423)

S.R. 926, A SENATE SIMPLE RESOLUTION URGING NORTH CAROLINA'S CONGRESSIONAL DELEGATION TO MAKE EVERY EFFORT TO ENSURE THE TRANSFER OF THE F-18 AIRCRAFT WING FROM THE NAVAL AIR STATION CECIL FIELD, FLORIDA, TO THE MARINE CORPS AIR STATION CHERRY POINT, NORTH CAROLINA.

Whereas, the decision of the Base Realignment and Closure Commission to transfer the F-18 Aircraft Wing from the Naval Air Station Cecil Field in Florida to the Marine Corps Air Station Cherry Point was based on the following criteria:

(1) Marine Corps Air Station Cherry Point has higher "Military Value";

(2) Marine Corps Air Station Cherry Point selection would alleviate concerns regarding future environmental and land use problems;

(3) Marine Corps Air Station Cherry Point selection dovetails with and enhances joint navy and marine corps doctrine of employment of navy and marine corps aircraft carriers; and

(4) Naval Air Station Oceana in Virginia has a lower military value; and

Whereas, there is a new effort to transfer the F-18 Aircraft Wing to Naval Air Station Oceana rather than to Marine Corps Air Station Cherry Point, challenging the Base Realignment and Closure Commission decision; and

Whereas, this effort appears to be for political reasons not associated with the objective criteria established by the Base Realignment and Closure Commission decision; and

Whereas, the Base Realignment and Closure Commission and the Secretary of Defense's decisions clearly established the greater military value of Marine Corps Air Station Cherry Point; and

Whereas, approximately $150 million is generated annually by the F-18 Aircraft Wing; and

Whereas, the economic impact criteria seems to be the reason politics has entered into the decision making process; and

Whereas, Eastern North Carolina's economy would be far more positively affected by transfer of the F-18 Aircraft Wing to Marine Corps Air Station Cherry Point than would the economy of Eastern Virginia due to the extreme lack of industry in Eastern North Carolina; and

Whereas, planes based at Naval Air Station Oceana, because of their proximity to North Carolina, do much of their primary training in the ranges and restricted military air spaces of Eastern North Carolina; and

Whereas, Eastern North Carolina would still be subject to the noise impact from training if the planes are based at Naval Air Station Oceana;

Now, therefore, be it resolved by the Senate:

Section 1. North Carolina's Congressional Delegation is urged to utilize the auspices of their respective offices in every way conceivable to ensure the transfer of the F-18 Aircraft Wing to the Marine Corps Air Station Cherry Point.

Sec. 2. The Principal Clerk shall transmit a certified copy of this resolution to each member of North Carolina's Congressional Delegation and to the Secretary of Defense.

Sec. 3. This resolution is effective upon adoption.

Adopted July 6, 1995 (See page 991)

S.R. 1098, A SENATE SIMPLE RESOLUTION RECOGNIZING THE ONE HUNDREDTH ANNIVERSARY OF SPENCER SHOPS.

Whereas, Southern Railway began construction on Spencer Shops, a massive steam locomotive and freight car rebuild and repair facility in Rowan County in 1896; and

Whereas, the communities of Spencer and East Spencer sprang up around the shops providing a community and homes for the thousands who were employed by the shops; and

Whereas, Spencer Shops continued to provide jobs and critical services for the Southern Railway until 1979; and

Whereas, Southern Railway donated the 57-acre complex to the State of North Carolina; and

Whereas, thousands of dollars and volunteer hours have been invested in the preservation and restoration of Spencer Shops; and

Whereas, Spencer Shops is now the home of the North Carolina Transportation Museum and hosts over 80,000 visitors per year whose tourism dollars are estimated to have an economic impact of $30,000,000 through the year 2000; and

Whereas, a major restoration of the Spencer Shops Roundhouse will be completed in 1996; and

Whereas, transportation, and particularly the railway industry, has been an important factor in the economic growth of North Carolina and the prosperity enjoyed by its citizens;

Now, therefore, be it resolved by the Senate:

Section 1. The Senate wishes to recognize the 100th Anniversary of the Spencer Shops in Rowan County. The Senate further wishes to encourage the citizens of this State as well as railway enthusiasts throughout the country to join the Senate and the citizens of the Town of Spencer in supporting and participating in celebration activities on the 100th Anniversary of Spencer Shops in 1996.

Sec. 2. The Principal Clerk shall transmit a certified copy of this resolution to the Mayor of the Town of Spencer.

Sec. 3. This resolution is effective upon adoption.

Offered July 20, 1995 (See page 1089)

S.R. 1101, A SENATE SIMPLE RESOLUTION HONORING THE MEMORY OF AMY JEAN JACKSON AND COMMENDING THE HEROISM OF ROBERT JACKSON, JR.

Whereas, on July 7, 1995, Amy Jean Jackson, age 11, and Robert "Bobby" G. Jackson, Jr., age 13, the children of Robert G. Jackson, Sr. and Shana Myatt Jackson, became the victims of violent crimes committed against them on a farm in rural Caswell County; and

Whereas, Amy Jean Jackson lost her life and her younger brother, who exhibited great courage and valor in the aid of his sister, sustained grave injuries; and

Whereas, this tragic event is but one example of the many violent crimes committed against the citizens of North Carolina; and

Whereas, Amy Jean Jackson will be remembered as an outgoing, bright, friendly, athletic girl, who was very supportive of her brother; and

Whereas, Bobby Jackson deserves special recognition for his heroism during such a terrible incident;

Now, therefore, be it resolved by the Senate:

Section 1. The Senate mourns the loss of Amy Jean Jackson and extends its sympathy to her family and friends and further commends the heroism of Bobby Jackson.

Sec. 2. The Principal Clerk shall transmit a certified copy of this resolution to the family of Amy Jean Jackson.

Sec. 3. This resolution is effective upon adoption.

The Patron of this resolution is Senator Virgil H. Goode, Jr., 124 Orchard Avenue, Rocky Mount, Virginia 24151.

The resolution was agreed to by the Senate on February 20, 1995, and the House of Delegates on February 16, 1995.

SENATE JOINT RESOLUTION NO. 279

Memorializing the Congress of the United States to propose an amendment to Article V of the Constitution of the United States to provide for state-initiated amendments to the Constitution.

Agreed to by the Senate, February 20, 1995
Agreed to by the House of Delegates, February 16, 1995

WHEREAS, all thirty-three amendments proposed to the United States Constitution since 1788, including the twenty-seven amendments adopted, have been initiated by the Congress; and

WHEREAS, more than 400 petitions from the several states requesting a constitutional convention to propose amendments have been filed with Congress but have never resulted in the calling of a convention or adoption of an amendment; and

WHEREAS, there should be a careful balance of national and state power in a federal system, and the present mechanisms for the amendment of the Constitution have proven to be incapable of affording the proper balance between the national and state governments in their abilities to propose amendments to the Constitution; and

WHEREAS, the envisioned and desirable equipoise between national and state powers requires a means for the several states to be able to propose and adopt amendments to the Constitution; and

WHEREAS, the Commonwealth, in 1990, joined with other states to propose an amendment to the United States Constitution to enable three-fourths of the states to amend the Constitution subject to congressional veto and, in 1995, confirms its support for that proposal, 1990 House Joint Resolution No. 140; and

WHEREAS, it is proper that alternative proposals to address the issue of how best to restore the desired balance between the states and the national government should be considered; and

WHEREAS, the agreement by three-fourths of the legislatures of the several states to the same proposed amendment within a seven-year span should provide

assurance that a proposed amendment is the will of the people, and that agreement should result in the adoption of the proposed amendment without the necessity of action by the Congress; now, therefore, be it

RESOLVED by the Senate, the House of Delegates concurring, That the General Assembly of Virginia request the Congress of the United States to propose an amendment to Article V of the Constitution of the United States which provides for state-initiated amendments to the Constitution. The amendment provides for the deletion of the language shown as stricken and the insertion of the italicized language, in essence, as follows:

ARTICLE V

AMENDMENT OF THE CONSTITUTION

The Congress, whenever two thirds of both houses shall deem it necessary, shall propose amendments to this Constitution, or, on the applications of the legislatures of two thirds of the several states, shall call a convention for proposing amendments, which, in either case, shall be valid to all intents and purposes, as part of this Constitution, when ratified by the legislatures of three fourths of the several states, or by conventions in three fourths thereof, as the one or the other mode of ratification may be proposed by the Congress; ~~Provided that no amendment which may be made prior to the year one thousand eight hundred and eight shall in any manner affect the first and fourth clauses in the ninth section of the first article; and that~~

In addition, whenever the legislatures of three fourths of the several states shall propose and adopt an identical amendment to this Constitution, related to but one subject, that amendment shall be valid as a part of this Constitution, without any action being required by the Congress, upon receipt by the Clerk of the Supreme Court of certified copies of that amendment from states which represent three fourths of the several states; provided that the Clerk receives such certified copies within a seven-year period beginning on the date he receives the first certified copy of the proposed amendment; and provided that each state shall retain the power to rescind its action to propose and adopt the amendment until the expiration of the seven-year period or the date of receipt by the Clerk of certified copies of the same amendment from three-fourths of the several states whichever first occurs.

Upon receipt from the first ten states of the identical proposed amendment, the Supreme Court shall within sixty days thereafter rule whether the amendment is, in fact, related to one subject only If the Supreme Court rules that the amendment is related to but one subject, or if the Supreme Court fails to rule on the issue within the sixty days, the amendment shall be conclusively presumed to meet the one-subject standard. If the Supreme Court rules that the amendment fails to meet the one-subject standard, the proposed amendment shall be invalid.

However, no state, without its consent, shall be deprived of its equal suffrage in the Senate.

and, be it

RESOLVED FURTHER, That the General Assembly request the legislatures of the several states to apply to Congress for the proposal of this amendment to the Constitution of the United States; and, be it

This authenticated copy of SCR 3 is transmitted to you as directed.

Respectfully,
S/Judy Hall
Secretary of the Senate

68th OREGON LEGISLATIVE ASSEMBLY-1995 Regular Session

Senate Concurrent Resolution 3

Sponsored by Senator JOHNSON, Representatives BAUM, HAYDEN, OAKLEY; Senators ADAMS, BAKER, DERFLER, DWYER, HANNON, KENNEMER, KINTIGH, LIM, MILLER, SHANNON, SMITH, STULL, TIMMS, WALDEN, YIH, Representatives ADAMS, BRIAN, CLARNO, CORCORAN, FISHER, GRISHAM, JOHNSON, LEWIS, LOKAN, LUKE, LUNDQUIST, MARKHAM, MEEK, MILNE, MONTGOMERY, NORRIS, PARKS, QUTUB, REPINE, SCHOON, SNODGRASS, STARR, STROBECK, TARNO, TIERNAN, VANLEEUWEN, WATT, WELLS, WELSH

To the President of the United States, the Speaker of the House of Representatives and the President of the Senate of the United States:

We, the Sixty-eighth Legislative Assembly of the State of Oregon, in legislative session assembled, respectfully declare as follows:

Whereas the Tenth Amendment to the Constitution of the United States reads as follows:

"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectfully, or to the people"; and

Whereas the Tenth Amendment defines the total scope of federal power as being that specifically granted by the United States Constitution and no more; and

Whereas the scope of power defined by the Tenth Amendment means that the Federal Government was created by the states specifically to be an agent of the states; and

Whereas today, in 1995, the states are in fact treated as agents of the Federal Government; and

Whereas we declare that all Oregonians, when they form a social compact, are equal in right, that all power is inherent in the people and all free governments are founded on their authority and instituted for their peace, safety and happiness and that they have at all times a right to alter, reform or abolish their government in such manner as they may think proper; and

Whereas memorials have been forwarded to the Federal Government by the Oregon Legislative Assembly without any response or result from Congress or the Federal Government; and

Whereas many federal mandates are directly in violation of the Tenth Amendment to the Constitution of the United States; and

Whereas the United States Supreme Court has ruled in New York v. United States, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and

Whereas a number of proposals now pending from the present administration and from the previous Congress would further violate the United States Constitution; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

(1) That the State of Oregon hereby claims sovereignty under the Tenth Amendment to the Constitution of the United States over all other powers not otherwise enumerated and granted to the Federal Government by the United States Constitution.

(2) That the Federal Government, as our agent, is hereby instructed to cease and desist, effective immediately, mandates that are beyond the scope of its constitutionally delegated power.

(3) That a copy of this resolution shall be sent to the President of the United States, the Speaker of the House of Representatives, the President of the Senate of the United States and each house of each state's legislature of the United States of America.

SENATE CONCURRENT RESOLUTION

WHEREAS, The United States flag belongs to all Americans and ought not be desecrated by any one individual, even under principles of free expression, any more than we would allow desecration of the Declaration of Independence, Statue of Liberty, Lincoln Memorial, Yellowstone National Park, or any other common inheritance which the people of this land hold dear; and

WHEREAS, The United States Supreme Court, in contravention of this postulate, has by a narrow decision held to be a First Amendment freedom the license to destroy in protest this cherished symbol of our national heritage; and

WHEREAS, Whatever legal arguments may be offered to support this contention, the incineration or other mutilation of the flag of the United States of

America is repugnant to all those who have saluted it, paraded beneath it on the Fourth of July, been saluted by its half-mast configuration, or raised it inspirationally in remote corners of the globe where they have defended the ideals of which it is representative; and

WHEREAS, The members of the Legislature of the State of Texas, while respectful of dissenting political views, themselves dissent forcefully from the court decision, echoing the beliefs of all patriotic Americans that this flag is OUR flag and not a private property subject to a private prerogative to maim or despoil in the passion of individual protest; and

WHEREAS, As stated by Chief Justice William Rehnquist, writing for three of the four justices who comprised the minority in the case, "Surely one of the high purposes of a democratic society is to legislate against conduct that is regarded as evil and profoundly offensive to the majority of people—whether it be murder, embezzlement, pollution, or flag burning"; and

WHEREAS, This legislature concurs with the court minority that the Stars and Stripes is deserving of a unique sanctity, free to wave in perpetuity over the spacious skies where our bald eagles fly, the fruited plain above which our mountain majesties soar, and the venerable heights to which our melting pot of peoples and their posterity aspire; now, therefore be it

RESOLVED, That the 74th Legislature of the State of Texas hereby petition the Congress of the United States of America to propose to the states an amendment to the United States Constitution, protecting the American flag and 50 state flags from wilful desecration and exempting such desecration from constitutional construction as a First Amendment right; and, be it further

RESOLVED, That official copies of this resolution be prepared and forwarded by the Texas secretary of state to the speaker of the house of representatives and president of the senate of the United States Congress and to all members of the Texas delegation to that congress, with the request that it be officially entered in the Congressional Record as a memorial to the Congress of the United States; and, be it further

RESOLVED, That a copy of the resolution be prepared and forwarded also to President Bill Clinton, asking that he lend his support to the proposal and adoption of a flag-protection constitutional amendment; and, be it finally

RESOLVED, That official copies likewise be sent to the presiding officers of the legislatures of the several states, inviting them to join with Texas to secure this amendment and to restore this nation's banners to their rightful status of treasured reverence.

SENATE CONCURRENT RESOLUTION 1006
A CONCURRENT RESOLUTION
ADOPTING A DECLARATION OF SOVEREIGNTY.

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. The following Declaration of Sovereignty is adopted:

Section I.

A. We, the legislature of the State of Arizona, hereby reaffirm the sovereignty of the states and of the people.

B. More than two centuries ago, the sovereign states, representing the sovereign people did, of their own volition, ratify the Constitution of the United States. In so doing, the states, in concerted action, established the federal government to perform certain limited and enumerated functions. Under the Tenth Amendment of the Constitution of the United States, the powers not delegated to the federal government were "reserved to the states respectively, or to the people."

Section II.

A. Throughout the history of the United States, and especially in recent decades, the federal government has, without right, blatantly disregarded state sovereignty by arrogating unto itself powers that were to have been reserved to the states and to the people.

(1.) It has conscripted states and their subordinate levels of government to implement its programs through federal mandates, funded and unfunded;

(2.) It has requisitioned officers of states and their subordinate levels of government to perform duties on its behalf, bypassing state constitutional and legislative processes;

(3.) It has, as a result of expanding power, imprudently increased spending, increased taxation and increased regulation, which have, in consequence, reduced economic growth by unnecessarily discouraging investment and job creation;

(4.) It has, through deficit spending and other actions, created massive federal obligations that threaten the living standards of the people, the solvency of the states and the future of generations yet unborn;

(5.) It has, by centralizing power in Washington, D.C., created a "democratic deficit," a condition under which the federal government has assumed control over functions of government that should have been reserved to state and local governments, making effective control of government more difficult for the people;

(6.) It has, through unwarranted judicial intervention, interposed itself between the states and the people on matters not of federal jurisdiction;

(7.) It has, through imprudent judicial review, systematically expanded the power of Congress and the Executive by usurping powers that were not intended under the Constitution of the United States;

(8.) It has evaded the restraints of the nation's fundamental law, the Constitution of the United States, and has in so doing engaged in the imposition of arbitrary laws, administrative actions and judicial decisions.

B. Through these actions, the federal government has usurped the sovereignty of the states. And, through these actions, the federal government has usurped the sovereignty of the people.

Section III.

A. We declare that the federal government cannot, on its own, legitimately diminish the sovereignty of the states and of the people as intended under the Constitution of the United States.

B. The fundamental law of the nation may only be altered in the manners prescribed by that fundamental law. We are convinced that the policy failures that have accompanied expanded central authority provide, in themselves, powerful testimony to the importance of limiting the federal government to those powers enumerated in the Constitution of the United States. To correct these failures and to secure a more favorable future for the nation, it is necessary that the powers expropriated by the federal government be returned to the states and to the people.

Section IV.

We therefore declare the following principles as necessary to the restoration of the sovereignty of the states and of the people, as required under the 10th Amendment of the Constitution of the United States:

(1.) The federal government should be restored to the role assigned to it under the Constitution of the United States. The powers usurped from the states and from the people by the federal government should be returned in an expeditious and orderly manner. Mechanisms exist for interstate cooperation where necessary, such as interstate compacts and voluntary uniform standards.

(2.) Constitutional clauses that have been the source of illegitimate federal expansion should be restored to their original meaning. Federal expansion has often been based upon unreasonably permissive interpretations of enumerated powers under the Constitution of the United States, especially the "commerce" clause.

(3.) The federal government should not impose mandates, unfunded or funded, on the states or on their subordinate governments. The Constitution of the United States delineates federal responsibilities and reserves all other responsibilities to the states or to the people. Federal mandates on state or local governments are unnecessary and inappropriate.

(4.) The federal government should be the exclusive financier of its programs. By partially funding federal programs, such as through matching grants, the federal government distorts the priorities of state and local governments, and establishes a democratic deficit that virtually disenfranchises state and local voters. The federal

government has a legal obligation to fully fund its programs, and should neither require nor entice state or local governments to participate in the funding of federal programs.

(5.) All federal government relationships with local governments should be through the states. All governments in the United States are the creation of the states, which are the creation of the people. One government, the federal government, was created in concert by the states. All other governments are the creation of, and subordinate to the states respectively. Direct federal government-local government relationships are inappropriate, except to the extent specifically authorized by the constitution or laws of a particular state.

(6.) The federal government should not assign federal responsibilities to officers of state or local governments. Various federal laws designate state or local government officers to perform federal functions. The federal government should enlist state officers or departments to assist it in the performance of its duties only when specifically authorized by the constitution or laws of a particular state.

(7.) The federal government's treaty making power should be limited to powers that are clearly within the federal scope of responsibility. The states have delegated treaty making powers only with respect to those areas of authority that have been delegated to the federal government.

(8.) Congress should not act to displace state and local police power — and the courts should not permit such displacement — except where the Constitution authorizes. Congress has preempted entire areas of regulation that have traditionally been matters of state and local police power. In addition, the federal courts have improperly condoned these congressional assaults on local governance, under the doctrine of implied preemption, the so-called "dormant" commerce clause and other constitutional provisions.

Section V.

In support of these principles, we commit ourselves to the pursuit of such remedies as may be necessary to restore the sovereignty of the states and of the people, by:

(1.) Legal actions to challenge the illegitimate exercise of federal power;

(2.) Repeals of laws by which federal power had been illegitimately expanded;

(3.) Such other actions as may be appropriate.

2. That the Secretary of State of the State of Arizona transmit a certified copy of this Resolution to:

(a) The President of the United States.

(b) The President of the United States Senate.

(c) The Speaker of the United States House of Representatives.

(d) Each Member of the Congress of the United States.

To: Secretary of State
From: Brad Bryant, Elections Division
Deputy Assistant Secretary of State
Date: May 3, 1995
RE: Concurrent Resolutions

Kansas House Concurrent Resolution 5008 is a concurrent resolution stating that Kansas claims sovereignty under the 10th amendment to the Constitution of the United States, and this resolution serves as notice and demand to the federal government to cease and desist mandates that are beyond the scope of its constitutionally delegated powers.

My office is directed by this resolution to send the presiding officer of each house of each state legislature enrolled copies of the resolution. Please forward the enclosed copies to the appropriate officers.

Thank you for your assistance in this matter.

HOUSE CONCURRENT RESOLUTION No. 5008

A CONCURRENT RESOLUTION memorializing Congress to cease imposing mandates on the states which are beyond the scope of Congress' constitutionally delegated powers under the 10th amendment to the Constitution of the United States.

WHEREAS, The 10th amendment to the Constitution of the United States provides that "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."; and

WHEREAS, The 10th amendment defines the total scope of federal power as being that specifically granted by the United States Constitution and no more; and

WHEREAS, The scope of power defined by the 10th amendment means that the federal government was created by the states specifically to be an agent of the states; and

WHEREAS, Today, in 1995, the states are demonstrably treated as agents of the federal government; and

WHEREAS, Numerous resolutions have been forwarded to the federal government by the Kansas legislature without any response or result from Congress or the federal government; and

WHEREAS, Many federal mandates are directly in violation of the 10th amendment to the Constitution of the United States; and

WHEREAS, The United States Supreme Court has ruled in New York v. United States, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and

WHEREAS, A number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the United States Constitution: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein:

(1) That the state of Kansas hereby claims sovereignty under the 10th amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the United States Constitution; and

(2) That this resolution serves as notice and demand to the federal government, as the agent of this state, to cease and desist, effective immediately, mandates that are beyond the scope of its constitutionally delegated powers; and

Be it further resolved: That the Secretary of State be directed to send copies of this resolution to the President of the United States, the Speaker of the United States House of Representatives, the Majority Leader of the United States Senate, each member of the Kansas congressional delegation, the Speaker of the House of Representatives and the President of the Senate, or comparable elective officers, of each state legislature of the United States.

SUBJECT: **NEVADA SENATE JOINT RESOLUTION NO. 2**

Pursuant to legislative direction, enclosed is a copy of Senate Joint Resolution No. 2, passed by the Nevada Senate on March 8, 1995 and the Nevada Assembly on April 20, 1995.

Senate Joint Resolution No. 2—Senators Raggio, O'Connell, Augustine, Coffin, Jacobsen, James, Lowden, Mathews, McGinness, Neal, O'Donnell, Porter, Regan, Rhoads, Shaffer, Titus, Townsend and Washington

FILE NUMBER.....

SENATE JOINT RESOLUTION—Urging Congress to propose and submit to the several states an amendment to the Constitution of the United States providing that the federal courts do not have the power to levy or increase taxes.

WHEREAS, The United States Supreme Court, in Missouri v. Jenkins, 110 Sup. Ct. 1651 (1990), extended the power of the judicial branch of government by holding that a federal court has the power to order an increase in state and local taxes; and

WHEREAS, This unprecedented decision violates one of the fundamental tenets of the doctrine of separation of powers, that the members of the federal judiciary should not have the power to tax; and

WHEREAS, In response to this decision, several members of Congress have introduced a proposal to amend the Constitution of the United States to re-establish the principle that the judiciary does not have the power to tax; and

WHEREAS, In addition to being introduced in Congress such a constitutional amendment has also been proposed by several states; and

WHEREAS, The passage of such a constitutional amendment, first by a two-thirds majority in both houses of Congress and then by three-fourths of the several states' legislatures or conventions, would serve to reverse an erroneous decision; and

WHEREAS, The proposed amendment to the Constitution of the United States properly seeks to prevent federal courts from levying or increasing taxes without representation of the people and against the people's wishes; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the Nevada Legislature hereby urges Congress to propose and submit to the several states for ratification an amendment to the Constitution of the United States, providing that neither the Supreme Court of the United States nor any inferior court of the United States has the power to instruct or order a state or political subdivision thereof, or an officer of a state or political subdivision, to levy or increase taxes; and be it further

RESOLVED, That the Nevada Legislature calls upon the Nevada Congressional Delegation to use immediately the full measure of their resources and influence to ensure the passage of the amendment to the Constitution of the United States; and be it further

RESOLVED, That the Nevada Legislature urges the legislatures of each of the several states comprising the United States which have not yet made similar requests to urge Congress to propose and submit to the several states for ratification an amendment to the Constitution of the United States; and be it further

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the Vice President of the United States as the presiding officer of the Senate, the Speaker of the House of Representatives, each member of the Nevada Congressional Delegation, and the presiding officer and minority party leader in each house of the legislatures of each state in the Union; and be it further

RESOLVED, That this resolution becomes effective upon passage and approval.

Founded in 1977, the UNC Clef Hangers are Carolina's oldest and most successful *a cappella* singing group. Comprised of fourteen male undergraduates, the Clef Hangers perform frequently on campus and across the state. They have been spotted performing up and down the Atlantic Seaboard from Boston and New York to Miami, combining comic skits with a diverse musical repertoire. The Clef Hangers are always striving to have fun while entertaining their audiences, and have in the past performed for large corporations, numerous other universities, campus groups, resort hotels, private parties, individuals and charity events, just to name a few.

In the spring of 1991, the Clefs completed production of a new "Carolina Album" entitled *Sounds of Carolina*. This album is comprised solely of Carolina Songs, including such favorites as "Carolina Girls," "Tar Heels on Hand," "Carolina in my Mind," and "Hark the Sound." Produced as a joint venture with the UNC General Alumni Association, a portion of all sales go into a need-based scholarship fund for incoming students.

The Clef Hangers' most recent accomplishment, *No Ninths Allowed*, is their seventh album. Recorded and released just last year, each of the seventeen songs on the album was either arranged by a group member or specifically for the group.

MEMBERS OF THE HAVELOCK NAVAL JUNIOR RESERVE OFFICER TRAINING CORPS PARTICIPATING IN THE OPENING OF THE 141ST GENERAL ASSEMBLY

Our colors are being presented today by the Havelock High School Naval Junior Reserve Officer Training Corps. Today's Color Guard is led by Cadet Michelle Godette. Team members include Cadets Karan Godette, Thurman Godette, Augie Malson, William Parry and Milo Warner.

The Naval Junior Reserve Officer Training Corps is a recent addition to the Craven County School System. Although the program has been in existence nationally for more than thirty years, we are fortunate in Craven County, to have recently started two of these programs. The other program is being taught at New Bern High School. Both programs are in their second year at these schools and both have enjoyed tremendous success.

The program offers students hands on opportunities in leadership, team work, and citizenship. Students gain confidence in their abilities through participation in this dynamic program that includes a challenging academic curriculum. In addition to physical training and military drill, the four year high school curriculum offers courses in Naval Orientation, Naval History, Navigation and Seamanship, Oceanography, Meteorology, Electronics, Astronomy, Marksmanship, and Orienteering. The successful completion of each course counts as one elective credit.
